## COIL Visual Tracking Magnifiers

Designed to aid patients with Dyslexia and similar reading difficulties. The VTM helps patients concentrate their vision on individual words or sentences and removes the confusion caused by nearby text or pictures.

- .25" bright central viewing strip improves contrast, aiding saccadal eye movement
- easily tracked across the page, wide field of view, soft touch grips
- ideal for school-aged children and the elderly

5850-23	1.5X	1.5" x .75" Bar with Blue Frame	41.75

## Zimmerman Simulation Kit

Kit contains lenses and funnels to use when demonstrating how a patient with a vision impairment sees. Includes 4 welder's goggles with 4 acuity loss lenses (approximate simulations of 20/70, 20/200, 20/400 and 20/600), 3 funnels that simulate peripheral field loss (tunnel vision) of 3, 7 & 10 degrees (approximately), and other lenses that simulate macular degeneration, cataracts, retinal detachment, and hemianopsia. Also included are occluder lenses which are used to eliminate ambient light. This is an excellent resource for vision-care professionals and educators.

454474 \$345.00

# ILLUMINATED MAGNIFIERS

# ELECTRONIC MAGNIFICATION SYSTEMS

## Explore Series

Humanware's Explore line of portable electronic magnifiers is designed for active people with low vision who wish to have options in their electronic magnification. Small, lightweight, smart and easy to use, they are a great addition to your low vision toolbox.

### Explore 8 HD

- 8" touchscreen HD handheld magnifier
- two ultra HD 21 megapixel cameras for close up and distance viewing
- up to 30X magnification in close up viewing
- large, physical buttons provide access to key functions; touchscreen control for all other settings
- built in reading stand; output for large screen viewing using HDMI
- 4.5 hour battery life

757889 \$1,099.00

### Explore 5 HD

- smallest and lightest 5" portable CCTV currently available
- variable magnification from 2X – 22X
- folding stand can also serve as a handle
- HDMI output to a TV for large screen viewing
- freeze frame storage of 1,000 images
- 18 color enhance modes

757886 \$749.00

## Snow Handheld Video Magnifier

- magnification from 2X-16X
- 4.3" color TFT screen with 10 viewing contrast modes: full color, grey, black on white, blue on white, black on yellow, blue on yellow, reverse mode, and more
- freeze frame functionality
- connect to TV, support PAL/NTSC
- measures 6.5" x 3" x 1"
- rechargeable & replaceable battery with 3.5 hours continuous use
- carry case, wrist grip, attached writing stand (INC)

454671 \$349.00

## 4.3" Portable Magnifier

- 4.3" LCD screen offers a good viewing area with convenient pocket portability
- 2X-32X magnification
- 15 high contrast color combinations to help find your best viewing mode
- easy to use, high contrast buttons for operation
- two way handle either works as a stand or as a handle
- output to a TV using an included AV cable
- 4 hour battery life

251118 \$295.00

## 3.5" Portable Magnifier

- electronic magnifier with 3.5" LCD screen is easy to throw in a purse or pocket
- magnification from 2X – 24X
- one freeze frame image, and 15 color options
- output to a TV using an included AV cable

251107 \$189.00

## Mercury 8 Electronic Magnifier with Speech

- durable 8" electronic magnifier is built on a full Android tablet platform
- magnification settings are controlled using finger squeeze and tap actions (focus, zoom, color selection, freeze frame)
- OCR functionality scans and reads back any snapshot material
- start and pause speech as it is reading back; follow reading progress on the screen
- polycarbonate case with rubber grips for a rugged case
- integrated fold out legs
- 4 hour battery life

251114 \$995.00

## Mercury Electronic Magnifier with OCR

- innovative product offers portable electronic magnification and text to speech
- touch based 5.5" HD screen has magnification from 3X to 40X
- use touch or voice commands to control magnification settings
- OCR technology photographs text and speaks it back
- scanned text can also be viewed and manipulated on screen
- integrated, fold out legs for hands free use
- also speaks in Spanish

251111 \$795.00

## Miracle Mouse Electronic Reading Aid

- magnify and freeze images on your TV monitor
- easily move the mouse with rolling wheels on bottom
- reading modes: full color, B/W, W/B
- up to 20X magnification on a 20" monitor
- carry bag, power adapter and user's guide (INC)
- purchase optional USB adapter to install downloadable software for use with computer monitors

859017 **Wired** \$114.95  
859018 **USB Adapter** 49.95

## Patriot 10" Magnifier with OCR

- 10" magnifier built on an Android platform
- magnification adjusts using 2 finger pinch to zoom in and zoom out; color select choices with 3 finger tap
- can scan a full page document and read it back using OCR technology
- choice of different languages and 10 different voices
- 8 megapixel camera; built in reading stand

885308 \$2,695.00

## 10" Portable with Distance

- 10" portable magnifier with 2X – 18X magnification
- big, simple buttons for ease of use
- distance viewing for near distance activities such as grocery shelves or street signs
- built in, fold out reading stand
- HDMI output for viewing on a TV
- 4 hour battery life

251104 \$1,495.00

## Patriot Viewpoint Wearable Technology

- wearable electronic magnifier with OCR provides handsfree magnification up to 20X
- close up or distance viewing
- OCR can scan and speak any printed material with just a few easy steps
- touch pad controls on the side of the glasses
- comes with ear phone jack and ear buds
- 1.1 pounds; 4 hour battery life

251116 \$2,995

## Reinecker Mezzo Series

Reinecker Vision of Germany has expanded its Mezzo line of CCTV's to offer a wide variety of monitor sizes, camera types, and portability options. All units still feature the distinctive folding HD LED monitor which folds flat for transport and offers spring form balancing for ergonomic positioning. The Focus camera uses Low Vision High Definition (LVHD) technology to offer a FullHD high resolution image with no blurring or shadowing. Simple 3 button operation offers auto focus magnification, 6 color selections including full color, and brightness controls with additional windowing and line marking. Optional accessories include a carrying case, portable XY table, or fixed XY table.

### Mezzo Focus 16"

- 16" monitor offers a full size desktop CCTV at a competitive price
- magnification from 1.6X to 32X, depending on settings
- 11.5 pound weight makes it easy to move from room to room
- battery operated unit separately available

251091

\$2,095.00

### Mezzo Focus 19" with Battery

- 2.3X – 40X magnification available on a 19" monitor
- built in battery with 3.5 hour battery life increases portability
- used in conjunction with an optional carrying case, this unit can deliver great independence and portability

251096

\$2,495.00

### Mezzo Focus 22" with XY Table

- traditional desktop CCTV with a 22" HD monitor
- built in XY table with brakes
- folds down for compact storage or transport

251100

\$2,495.00

## MANOtouch Touchscreen CCTV

Reinecker's MANOtouch portable CCTV's offer innovative new technology in the portable CCTV world. All operating controls are managed through a simple and intuitive touch screen display, with all of the controls highly customizable according to a user's specific needs. Magnification ranges from 1X to 20X on the 3.5" touchscreen or from 1X to 33X on the 4.9" touchscreen. Innovative camera technology offers LVHD (Low Vision High Definition) technology to produce optimal image processing with flicker-free viewing. It also minimizes reflections from high-gloss papers and removes all image distortions. Other features include a multi-functional cover/stand, HDMI port for export to an external screen, optional inductive charging for super easy charging, and multiple color modes. Freeze frame can save up to 100 snapshots. Battery life is roughly 4 hours after a 4 hour charge.

454703 MANOtouch 4 \$595.00

251108 MANOtouch 5 \$695.00

All Reinecker Mezzo units, add \$30 Additional Freight

# MAGNIFYING LAMPS

## DAYLIGHT LAMPS

### Daylight 1.75X Swan Desk and Floor Lamps

The natural light from the Daylight fluorescent tubes makes colors more vivid, reduces eye strain and decreases glare. Both models combine this comfortable lighting with a removable 1.75X / 5" polished acrylic lens on a separate flexible arm. Both models feature a unique 'Easy-Twist' movement. You can twist the head and magnifier and direct the light exactly where you are. Includes a flicker free 18W daylight energy saving tube.

■ height: desk model: 17.5", floor model: 44"

### Daylight 1.75X / 5" Magnifying Lamp w/Clamp

- practical, clean white magnifying lamp with a semi-rimless 5" precision acrylic 1.75X lens
- removable lens cover to give you a wider viewing area
- 13W Daylight bulb and table clamp (INC)

360230 \$99.95

### 2.25X Folding LED Magnifying Lamp

- 3.5" 5D magnifier with a 12D inset lens for detailed viewing
- lightweight and foldable for easy travel
- head can rotate nearly 180° for optimal positioning
- 3 levels of illumination; 6,000K daylight color temperature

401114 \$62.95

### CAN-DO™ 3.5X Magnifying Desk Lamp

- 3.25" lens is surrounded by an 11W circular bright bulb
- protective lid covers the lens
- 12" height

369223 \$24.95  
172852 Bulb 4.95

369227 Floor Lamp \$169.95  
369226 Desk Lamp 99.95

### Daylight 2X LED Combo Floor and Table Magnifying Lamp

- a practical and versatile table/floor lamp in one unit
- 21 high performance Naturalight™ LED's
- large 5" lens with 2X magnification
- flexible gooseneck arm aims light precisely as needed
- simply remove the pole for use as a table lamp
- floor height: 44"

360081 \$99.95

### Daylight XR Ultra-Slim 1.75X Clamp-on Magnifying Lamp

- XR technology creates a lightweight, extra resistant, easy-to-clean 7" lens
- flicker-free electronic ballast works longer for optimal comfort
- high quality metal arm for optimal flexibility and durability
- 2 additional lenses (2.5X, 4X) and dedicated table and floor stands available separately

360208 \$155.95

*The right light*

### LUXO KFM LED Magnifier

- energy efficient, 75% greater light output
- dimmable 9W LED light source produces 2800 lux at a 13" working distance
- 5", 5D (2.25X) optical quality glass lens
- available in black or gray

18115	45" arm reach clamp on	\$287.95
18255	30" arm reach, weighted base	388.95

### LUXO Wave Plus LED Rectangular Magnifier

- energy efficient
- auto shut-off feature
- 2 dimmable 6W LED light sources that allow individual left/right lighting control
- 6.75" x 4.5" wide angle, optical quality glass lens
- 3.5D (1.9X) or 5D (2.25X) magnifier

18845	45" arm reach clamp on, 3.5D	\$391.95
18945	45" arm reach clamp on, 5D	400.95
18847	30" arm reach, weighted base, 3.5D	\$489.95
18947	30" arm reach, weighted base, 5D	499.95

### LUXO 5D LFM Lighter Duty LED Magnifier

- cost effective LED magnifier
- dimmable 7W LED light source
- 5" diameter, 5D (2.25X) optical quality glass lens
- flexible, spring balanced arm for variable positioning

18346	45" arm reach clamp on	\$151.95
-------	------------------------	----------

### LED Floor Lamp with 2X Magnifier

- 7", 2X magnifier made of fine optical glass provides a large area for magnified viewing
- 60 super bright LED bulbs form a ring of bright illumination around the magnifier
- magnifier height is adjustable from 34" to 45"
- heavy base adds extra stability so that the lamp does not wobble

401099	\$149.95
Extra Shipping	\$10.00

### CAN-DO™ 1.75X Enriched View Magnifier Lamp

- 7.5 x 6" lens is lit on both sides by 9W fluorescent bulbs.
- 5-legged caster base rolls smoothly over surfaces
- hinged arm can extend 39" from the 21" base section
- clamp supplied for attaching the upper section to a table

369228	\$99.95
Extra Shipping	20.00

## Big Eye High Intensity 2X Magnifying Desk and Floor Lamps

Very bright light brightens the 5" distortion-free acrylic lenses that are either attached to the lamp frame or on a separate flexible arm.

### The desk lamp

- the heavy cast-iron base give the lamps stability
- #369072 has the magnifier on a separate flexible arm
- #369045 has the 2X lens attached to the lamp's frame
- lamps come with two 40W high-intensity bulbs

430740 \$13.95

## WayAround Product Tagging System

The WayAround product line is a combination of smartphone app and physical WayTags™ that allow you to tag and label nearly everything in your environment. Download the free app for either iPhone or Android onto your own smartphone. Attach one of the different shaped tags to clothing, food products, files, medicines and more. Create a label for that tag on your phone by either typing or recording your message for that tag into the WayAround app. To identify that item in the future, scan your smart phone over the item. The message associated with that tag will appear on the phone screen, and with VoiceOver or TalkBack turned on, it will be spoken out loud. Visit our website to learn more about the WayAround system and different WayTag options.

461118 WayTag Starter Kit \$62.95  
461120 WayTag Laundry Starter Kit 42.95

- tactile method for teaching math and algebra
- 18x25 hole grid
- tray at bottom holds 50 metal pegs
- whole board measures 7.5" x 12"

**363619 \$19.95**

## Algebra Frame with Abacus

- tactile method for teaching math and algebra
- 18x25 hole grid
- tray at bottom holds 50 metal pegs
- includes 15 rod abacus
- whole board measures 11.5" x 9.5"

**363620 \$22.95**

# CANES & MOBILITY

## Victor Reader Trek Talking GPS

Victor Reader Trek is a handheld talking GPS for people who are blind or visually impaired. It also incorporates all of the simple book reading and media playback experience of the Victor Reader Stream, giving you two great devices in one!

- verbally announces names of streets, intersections, and landmarks
- can locate a location by typing in the address, searching for a landmark, or pulling up a pre-recorded route
- different directions for pedestrian versus vehicle navigation

454570 \$699.00

## Sunu Band Mobility Guide and Smart Watch

Wrist worn smart watch uses sonar technology to provide haptic (vibration) feedback regarding the user's surroundings and other information. Used along with a guide dog or white cane, it can provide information on obstacles that are above ground level.

- navigation mode has short range which senses objects up to 5 feet; long range mode senses objects 16 feet away
- smart watch can tell the time and create alarms using vibration patterns
- Sunu tag can be attached to an object such as keys and used to page that object
- free Android or iOS app will allow for future upgrades and can be used to customize the sonar range, sensitivity and vibration intensity

142411 \$299.00

## Miniguide Mobility Aid

The Miniguide Mobility Aid is a handheld device that uses ultrasonic echo location to detect objects in front of the walker. Vibration rates increase as the walker gets closer to the object. The Miniguide should be used as a complement to a white cane or guide dog.

- 5 different detection ranges can be set from 1.5 feet to 24 feet, depending on the user's environment and skill level
- preferred ranges can be set up on a "preset" setting for toggling between 3 preset ranges
- audio feedback is available both for training purposes or as an alternative to vibration, when used with an earphone
- uses 1 CR123 lithium battery, included

142422 \$499.00

## BuzzClip Mobility Guide

Small, discreet BuzzClip provides hands free detection of waist or head level obstacles. It clips on to an article of clothing and vibrates with increasing intensity as the user gets closer to an object. To be used as a complement to a white cane or guide dog.

- 2 sensitivity ranges of 3 feet or 6 feet
- 6 horizontal feet range has a 3 feet vertical range, covering head height objects when clipped to a shirt lapel
- can be used indoors or outdoors
- rechargeable battery lasts 10 hours on a charge

142409 \$249.00

## Columbus Talking Compass

A hand-held device announces the major compass points and the interim points. Measures 2.75" x 2" x 1" and weighs less than 4 ounces and fits comfortably in the hand. Speaks in English or Spanish. Requires two 12V batteries (Included).

182355 Compass \$68.95 272602 Single 12 Volt Battery 1.99

# AMBUTECH CANES

Ambutech mobility canes are available in a wide variety of materials (graphite, aluminum, and fiberglass), tips, colors, lengths, and section counts. If you don't see the configuration you are seeking, please ask a sales or customer service representative for assistance.

## Ambutech Premium Aluminum Folding Mobility Cane

Constructed of heavy-gauge aluminum creating strong joints and excellent tactile transmission. They are easy to fold and have an extra knot that enables easy replacement of the hook style tip. Canes are available in 2" increments from 36" to 60" in 4, 5 or 6 sections, depending on desired length.

PAS4090	Rolling Marshmallow Tip	\$29.38
PAS4020	Marshmallow Tip	23.56
PAS4050	Pencil Tip	23.56

Specify length and number of sections

## Ambutech Premium Graphite Mobility Canes

Ambutech's graphite canes are lighter, more flexible, and stronger than comparable aluminum canes. New conical joint design provides superior tactile transmission and allows the canes to fold and unfold with ease. Canes below have hook style tips and are available in 2" increments from 36" to 60," in a one piece rigid style, or in 4, 5, or 6 sections, depending on desired length.

PGS4090	Rolling Marshmallow Tip	\$40.14
PGS4020	Marshmallow Tip	34.32
PGS4050	Pencil Tip	34.32

High Mileage	MT4080		4.37
Ceramic	MT4030		15.08

## Folding Fiberglass Cane with Pencil Tip

Fiberglass canes offer excellent flexural strength and durability, and are generally stronger than aluminum canes. However, they are heavier than aluminum. Slip on pencil tip serves as a good baseline tip. Canes are available in 2" increments from 36" to 60" in 4, 5, or 6 sections, depending on length.

PFS3050 \$26.26

## Identification Cane

Ambutech's lightweight 5 piece cane is designed for low vision individuals who need only limited care assistance but who do wish to be recognized as having low vision while out and about. High visibility is insured with a red reflective bottom section. Available in 28" to 56" lengths in 2" increments.

SAN4010 \$15.39

## Mobility Cane Light

LED light clips on to the thinner shaft of a mobility cane. Helps illuminate the path in front of you. Uses 1 AA battery (incl)

541036 \$9.95

## Revolution Graphite 4 or 5 Section Folding Cane

Flexible and lightweight, they transmit the "feel" of the terrain with a large diameter, super tough polymer pencil tips and straight rubber handles. They come in 2" increments from 36" to 60".

REV-4	36" to 44"	\$36.95
REV-5	46" to 60"	36.95

### Additional Tips

TEAR DROP	\$8.95
ROLLER	15.95
METAL	8.95
STANDARD	4.95

\*Call for other models not shown

## Revolution ID Cane

Thin, lightweight, 7 section graphite cane is ideal for people not needing a mobility cane but wanting to identify themselves as having low vision. Available in 2" increments from 48" to 64."

REV ID \$39.00

## Ambutech Aluminum Adjustable Support Cane

Reliable and durable Ambutech support canes have a patented adjustment system to easily set any height within the range. Short canes adjust from 25"-33"; standard canes are from 29"-37" and long canes range from 33"-41". Available in either a Modern or Classic handle style.

CM3020	Modern Handle,	Short	\$23.50

# Hearing

## Williams Sound Pocketalker 2.0

Do you have a hard time hearing dinner table conversations? A casual conversation among friends? The Williams Sound Pocketalker 2.0 offers conversation amplification to people who might need extra help but don't have a hearing aid. The Pocketalker 2.0 provides superior sound and unparalleled frequency control.

- extended high and low frequency range with rotary control for precise positioning
- left/right volume control balance
- ergonomic design
- built in T-Coil compatability
- up to 105 hour battery life
- includes 1 stereo earbuds and 1 stereo headphone
- measures 4.9"L x 2"W x 1"H; weighs 3.1 ounces

617763

\$199.00

## Williams Sound Pocketalker Ultra® with Choice of Headset Styles

Amplifies nearby sounds while reducing background noise. Features a lightweight design for portability. Offers adjustable volume and tone control to customize your listening environment whether your hearing loss is low-frequency or high-frequency sounds.

- 12-foot extension cord lets you place the microphone near a TV or a conference table
- measures 3.4" x 2.25" x 1"; weighs 2.5 oz.
- 100-hour battery life
- 2 AAA batteries (INC)

617744	Neckloop	159.00

## Additional Microphones

Attach these microphones to the Pocketalker to enhance a speaker's voice in a challenging listening environment.

<b>M311-U 90° Bendable Unidirectional</b>	<b>M312-U 180° Bendable Unidirectional</b>
<b>MIC113 \$49.95</b>	<b>MIC114 \$59.95</b>
<b>MM100 Handheld</b>	<b>MM200 Conference</b>
<b>MIC104 \$84.95</b>	<b>MIC112 \$89.95</b>

## WEAR Assistive Listening Device

The Wear ALD uses patent pending technology with 10 directional microphones to amplify close sounds (< 6 feet away) and not amplify far noises. This way the user hears only the person speaking and not distracting background noises. The directional arrangement of array microphones means that the user does not have to point the device in the direction of the speaker. The 2" diameter Wear clips onto a user's clothing via a magnet, providing hands-free amplification with adjustable volume for the listener. Uses a rechargeable battery.

617720

\$139.00

---

## HA HA Personal Communicator

This handheld, personal amplifier is a great little portable device for amplifying quick conversations around you. Hold the speaker directly against your ear, and the microphone on the other side picks up the conversation and amplifies it through the handset.

- adjustable volume control, up to 45dB gain
- recharges while in its cradle
- cradle also sterilizes the handset so it can be used by anyone needing amplification
- measures 2.1" x 5.6" x 1.7"
- includes storage bag

617739

\$149.95

---

## Comfort Audio Duett Assistive Listening Device

The small, stylish Duett features high-quality sound amplification, plus optional modules to amplify television or telephone conversations. A built-in T-coil allows you to use the Duett in rooms equipped with a loop system.

- amplifier automatically turns on when headset is lifted from the base unit
- useful for one-on-one or group conversations
- rechargeable battery provides 15-20 hours of operation
- measures 3.4" x 2.5" x 1" and weighs 1.75 oz.

# AUDIO & CELL PHONE AMPLIFIERS

## NoiZfree Beetle Bluetooth Enabled Headsets for T-Coil and Audio Boot

The Beetle Bluetooth headsets allow a user with a T-Coil to wirelessly connect to their Bluetooth enabled phone or audio device and receive that sound output directly into their T-Coil. All also offer a built in FM radio. Model H-2 works with phones only and has a single T-Coil hook. H-2ST works with phone and audio devices and connects through a single T-Coil hook or a neck loop. H-3ST offers stereo sound for phone and audio with dual hooks and a neckloop. H2ST for direct input plugs directly into Audio Boot attachments.

HED051	H-2 Mobile Phone, Single Hook	\$74.95

HED068	H-3ST Phone & Music Twin Headset and Neckloop	99.95
HED069	H-2ST Audio Boot Connectivity	99.95

## NoiZfree® Headsets – Solutions for Hearing Aids & Cochlear Implants

NoiZfree products have lightweight hooks that rest next to your hearing aid and transfer sound from your cellular and cordless phone or audio source using the telecoil. This provides you with increased sound clarity and speech comprehension. NoiZfree products provide you with solutions for one or both ears. If one of your ears has normal hearing, use the NoiZfree HR model, which incorporates a hook for your hearing instrument and a standard earbud for the other ear. Enjoy conversations with crisp sound and clarity on your cellular phone or plug it in any audio device such as MP3 players, stereo systems, or TVs. Use PC-Twin for your home, work or laptop computer.

### NoiZfree HR (Hook & Receiver)

HED032 2.5mm Cellular plus 3.5mm Audio Adaptor \$39.95

### NoiZfree One (Single Ear)

HED030 3.5mm Audio Plug 34.95

## Blue Freedom Bluetooth Audio Amplifiers for BTE's

The Blue Freedom audio amplifiers send sound directly from an audio device to a behind-the-ear (BTE) hearing aid. The small, thumb-sized Freedom pairs to a Bluetooth device, clips onto a shirt or coat lapel, and then directly plugs into a BTE. Sound from the audio device then goes directly into the hearing aid, delivering the clearest sound from your audio device. Adjustable volume.

- SED106 works with any Bluetooth audio device or mobile phone and features buttons on the device for controlling music and phone calls. Plugs for dual BTE's.
- SED108 works only with Bluetooth telephones

SED106 \$74.95  
SED108 59.95

#SED106

## Hatis T-Coil Cell Phone Connector

Receive greater clarity from your cell phone conversation with the Freedom earpiece. Position the earpiece between your T-Coil equipped hearing aid and your head, and plug the other end into the earphone jack of phone. Telephone sound is amplified directly through the T-Coil.

- H316 Freedom single earpiece, cell phone only, in-line microphone

H316 \$89.95

#H316

## Neckloop 30dB Audio Amplifiers

Designed to be used by people using hearing aids equipped with a T-Coil, these 30dB amplifiers connect to an audio device, such as a cell phone, cordless phone or MP3 player and then deliver amplified sound from that device to the T-Coil through the T-Coil magnetic coupling.

### ClearSounds Neckloops

- built in microphone for telephone use
- use 2 AAA batteries (included)
- uses included cables to connect to audio devices

608506

\$45.95

### Geemarc Neckloops

- adjustable volume control

# ALERTING SYSTEMS

## Bellman Visit 433

Bellman Visit is a cordless detection system that helps the deaf, hard of hearing and others to detect important signals and alarms in the home. With Bellman Visit you will easily receive notification of your doorbell, telephone, or baby crying in your home. Combine the various receivers and transmitters in almost any way to customize your own package. Each system must have at least one transmitter and one receiver.

### Transmitters

**Door Transmitter** alerts you to a ringing doorbell.  
BEL112 \$81.95

**Telephone (multipurpose) Transmitter** detects an incoming call.  
BEL114 \$81.95

### Receivers

**Portable Receiver**  
BEL100 \$135.95

**Alarm Clock Receiver**  
BEL108 \$169.00

**Pager Receiver**  
BEL102 \$196.95

**Flash Receiver**  
BEL104 \$173.95

**Bed Shaker**  
BEL106 \$29.95

**Pager Charger**  
BEL132 \$70.95

## Simplicity Doorbell Flashers

■ plug your own lamp into the Simplicity receiver, and the lamp flashes when the doorbell rings.

**HC402 Wired** \$59.95  
– for homes with existing doorbells

**HC400 Wireless** \$99.95  
– for homes with no doorbell

**HC418** \$49.95  
– strobe flash receiver

HC402

HC400

HC418

## Clarity Alertmaster, AL10

The AlertMaster AL10TM Visual Alert System monitors the telephone, doorbell, and various sounds and motion within its environment, and provides either a flashing light in various patterns or a bed vibration when one of those activities takes place. It is easy to use and easy to see because of the simplified design with large, backlit icons, large 3.5" display, and alarm clock. Base unit includes the main receiver, bed shaker, and wireless doorbell. Additional transmitters may be required for different types of activities.

835962 **AL10 Base Unit** \$189.95  
011430 **AL12 Remote Receiver** 94.95  
011420 **Baby Cry Signaler** 49.95  
011424 **Door Announcer** 49.95

## Talking Smoke and Carbon Monoxide Alarm

Kidde smoke and carbon monoxide detector features a loud 85dB audible alarm (at 10 feet) and will also announce "Fire! Fire!" or "Warning! Carbon Monoxide." Must be hard wired, but has 2 AA battery backup.

**310119 Smoke/CO Detector** \$69.95

## Kidde Strobe

Optional extra bright LED strobe can connect directly to 310119 Kidde Smoke/CO Detector to provide extra visual warning. 177 candela strobe must be hardwired.

**310120 Strobe**

**\$89.95**

# CLOCKS & TIMERS

## TimeShaker Alarm Clocks

The TimeShaker alarm clocks are wonderful clocks for the hard of hearing or deep of sleeping. Available with either a wired or a wireless bedshaker, they are loaded with features to help wake you up.

- powerful bedshaker with 3 levels of vibration: normal, strong, and earthquake
- 120 dB adjustable "panic" alarm sound
- dual alarms for different users, with alarm combinations for sound, vibration, or both
- bright alert light also flashes with alarm
- easy to read 1.4" display
- 9 minute snooze

781059 TimeShaker Wow w/ Wired Bedshaker \$39.95

781060 TimeShaker Boom w/ Wireless Bedshaker 44.95

## Big Mouth Audible Alarm Clock

This tiny clock has a very loud alarm with two volume settings up to 100 dB.

- .5" black LCD screen
- measures 3.5" x 2" x 2.5"
- 4 AA batteries (NI)

247534 \$19.95

## AlarmDock Smartphone Dock with Bedshaker

- docking station pairs with a personal smartphone and uses a wireless bedshaker and 100dB alarm to wake a hard sleeper or hard of hearing
- uses a free iOS or Android app to manage alarms, timers, volume and tone control, flasher activation, and large clock read out
- wireless speaker can play music from the phone in clear, full sound

741026 Dock, Speaker, Bedshaker \$99.95

741030 Wireless Speaker only 49.95

## Tactile Talking Clock with Bedshaker

- clock face opens to reveal a tactile analog face
- time can also be spoken on demand
- includes a wired pillow shaker
- alarm combinations of vibration, audio, or both
- uses 2 AAA batteries (NI)

101150 \$54.95

## SmartShaker2 Bluetooth Bedshaker for Smartphones

Super strong wireless bedshaker pairs to your personal smart phone and then is triggered when the phone alarm clock sounds, waking you with powerful vibrations.

- 3 levels of vibration – normal, strong, and earthquake
- alarm combinations of vibration, audio, or both
- supports up to 10 alarms
- 8 integrated ringtones
- rechargeable battery lasts for ~10 days

835940 \$29.95

## Analog Alarm Clock with Wireless Bedshaker

The TCL-100 offers an attractive analog clock with a loud 90dB adjustable alarm, as well as wireless vibrating pad.

- easy to read illuminated clock face
- 5 different alarm patterns
- bright flashing LED light
- receive notification of incoming calls
- AC powered with battery backup

812910 \$49.95

## Bellman Flashing/Audible Alarm Clock

Modern-style alarm clock uses flashing lights and an audible alarm which grows louder and changes frequency as the alarm continues.

- choose from audible or flashing alarm
- clock face lights up when alarm sounds or snooze is pressed
- 4 minute snooze
- AC powered with battery back up
- optional bed shaker

BEL110 Alarm Clock \$99.00  
BEL106 Bed Shaker 29.95

## Sonic Alert Alarm Clock with Phone Ring Signaler and Bed Shaker

In addition to waking you with its alarm, bed shaker and flashing light, this clock will notify you of a ringing telephone.

- 1" green display
- loud alarm up to 113 dB with tone control
- hi/low dimmer switch
- AC powered with 9V battery (NI) backup

835897 \$54.95

## Sonic Boom™ Alarm Clock with Bed Shaker

Perfect for deaf, hard-of-hearing, or even deep sleepers with typical hearing.

- loud alarm up to 98 dB with tone control
- attach a bedside lamp as a visual alert
- AC powered with 9V battery (NI) backup
- works as a receiver with all Sonic Alert products

835966 Clock with Bed Shaker \$84.95  
835964 Clock Only 64.95

## Sonic Alert Clock with Bed Shaker

Choose to wake up with an audible alarm, or powerful vibration.

- loud alarm up to 113 dB with tone control
- 1.8" display
- dual-alarm function (alarm/vibrate together or alarm may be set for 2 separate times)
- AC powered with 9V battery (NI) backup
- measures 9" x 5"

CL375 \$47.95

CL375

## Clarity® Wake Assure Clock with Bed Shaker

Even the deepest sleeper will wake up with all the options offered in this clock: a loud alarm, a jack to connect a lamp for a visual alert and a strong bed shaker.

- loud alarm up to 85 dB with tone control
- 2" red display
- security timer feature causes a connected lamp to turn on and off as if you were home
- AC powered with 9V battery (NI) backup

835912 \$69.95

## Buzz/Vibrate/Beep Digital Timer by Polder®

- easy to use function keys with easy memory recall
- set timer to vibrate, beep or buzz
- 100 hour countdown with 30 second alarm
- overtime Feature; at reach of desired time, clock automatically begins count-up
- belt clip, stand and batteries (INC)

835926 \$14.95

## Travel Vibrating Clock

- 2 separate alarms can be set to buzz, vibrate or both
- can be preset for 2 different time zones
- rests under a pillow or stands using a fold out stand
- uses 2 AA batteries (NI)

741025 \$19.95

## Male Voice Talking Vibrating Travel Alarm Clock

- speaks, time, day, date, month, year
- includes countdown timer
- stand protects setting buttons when clock is packed for travel
- measures 3.5" x 2.5"
- 2 AA batteries (NI)

756013 \$19.95

## VibraLITE 8™ Water Resistant Watch

- 8 programmable vibrating alarms
- great for managing a schedule, medical reminders, ADD training, and dietary management
- 3 time zone settings
- countdown timer with auto repeat; stopwatch
- choice of vibration, audible, or both alarms

856970 \$79.95

## Time Tracker™ Visual & Audible Timer

This unique timer can be programmed to represent time spans with colored bands of light or with accompanying sounds (6 options). The Time Tracker informs users how much time has elapsed by the change in colors and the sound effect. A fun solution to help children structure their time at home or in school.

- times up to 100 hours
- great for deaf, hard-of-hearing and visually impaired persons
- operates with AC adaptor or 4 AA batteries (NI)

## BUSINESS PHONES

### Amplified Business Telephones

Sophisticated business telephones provide 40dB or 50dB of amplification in either 1 line or 2 line phones. Phones can digitally adjust frequency-specific volumes so that any user, especially those in noisy environments, can comfortably hear a caller's voice. The conference grade speaker phone restores low-frequencies sounds to deliver a crisp acoustic experience only found in high end phones. Huge 7.4", 3 line display is easy to read, even from a distance.

- automatic activation for frequency specific amplification
- RJ22 and 2.5mm headset jacks with built in amplification
- 99 name directory
- 7 one-touch memory dials
- one touch call forwarding

#### One Line Phones

## Clarity® Pro XLC3 DECT 6.0 Cordless Amplified Talking Phones

With incoming amplification up to 50+ dB and outgoing speech up to 15 dB this phone is an ideal solution for severe hearing loss or quiet speech. Four tone settings, large font, and a high contrast screen also assist individuals with low vision and limited mobility. The large backlit buttons as well as the talking keypad, speakerphone and talking caller ID make this an ideal solution for seniors as well.

- illuminated talking dial pad with large buttons that speak the number that is pushed
- extra loud ringer (95 dB) with adjustable tones
- expandable up to 4 handsets
- super bright visual ringer with voicemail indicator
- TIA-1083 compliant and hearing aid compatible with a direct connection to assistive listening devices or headset (2.5mm or 3.5mm)
- model 721149 also allows user to pair 2 bluetooth devices, such as a cell phone, to amplify that cell phone through the Clarity handset

## Clarity Big Button Phone with 35dB Amplification

A terrific phone for both the hard of hearing and those with low vision. Moderate amplification combined with large, back lit high contrast buttons make it a great solution for many.

- 35dB amplification
- Clarity Power™ technology minimizes background noises and eliminates feedback and distortion
- 4 different tone settings to customize listening experience
- visual Caller ID
- handset speakerphone
- Hear-It-Ring Clarity ringer with 10 loud and clear melodies and 6 levels of adjustable volume; super bright visual ringer
- 10 two-touch speed dial buttons

721152 \$74.95

## Clarity Bluetooth Enabled Amplified Cordless Phone

- 40dB DECT 6.0 cordless phone
- can pair to a Bluetooth cellphone to receive the cellphone calls over the Clarity amplified handset, delivering amplified cellphone calls
- different ring tones for landline versus cell phone inbound calls, with selection from 10 different ring tones
- pair up to 2 Bluetooth devices to amplify multiple cell phones or headsets
- landline not actually required if the phone is to be used just to receive cell phone calls
- digital answering machine, large buttons, adjustable tone control
- expandable up to 5 total handsets

721126 BT914 \$119.95

721132 Additional Handset 49.95

## Clearsounds A700 Talking 40 dB Speakerphone w/Answer Machine

- up to 40 dB adjustable amplification
- adjustable tone control
- full duplex speakerphone in handset with adjustable amplification
- 6-level ringer volume control and 10 ring tones; bright visual ringer
- amplified digital answering machine
- talking caller ID, talking keypad, and talking ringtone
- big-button, easy-to-read, high contrast keypad
- 30 name/number caller ID
- DECT 6.0 system expandable up to 5 handsets
- 4 one-touch memory dial buttons
- 200 name and number phonebook directory
- includes 1 additional handset

812551 219.95

## Clarity D704/D714 40 dB Cordless Phones

The D700 series combines hearing, vision and mobility solutions into one great value. With Clarity Power, and DECT 6.0 transmission, interference-free communication is readily accessible.

- amplifies incoming sound up to 40 dB; 4 tone settings for customization
- eliminates feedback and distortion, minimizes background noises
- large buttons on backlit keypad; high contrast numbers on Caller ID screen
- handset speakerphone
- 10 speed dial buttons; 20 last number redial memory
- 100 name/number phonebook with 10 memory buttons
- bright visual ringer with 10 melodies plus 6 levels of volume
- expandable up to 5 handsets
- direct connection to assistive listening devices or 2.5mm headset
- model D714 includes an answering machine
- model D712 includes an answering machine, but has only **30dB** amplification

186274 Clarity D714 \$114.95

186273 Clarity D704 99.95

186275 Expandable Handset D704/714 59.95

721125 Clarity D712 79.95

## ClearRing Amplified Phone Ringer/Signaler by ClearSounds

- 95 dB audible ringer with various tone levels
- bright LED flashing strobe
- jack for optional vibrating pad
- easy installation for table or wall
- measures 12" x 8" x 1"

PS48 \$49.95

## Krown Strobe Light Phone Alert

- built-in strobe flashes as telephone or TTY rings
- works with any analog phone system
- powered by the phone line; no battery needed
- measures 3.25" x 2" x 1.25"

PS11 \$24.95

## Super Loud Phone Ringer

- 95dB ringer with adjustable volume
- ring tone control
- powered by phone line; no battery or AC necessary
- good for moderate to severe hearing loss

011412 \$34.95

## Universal Ringer/Flasher

- telephone signaler alerts user to both landline and cell phone calls
- cell phones rest in the cradle and incoming call vibration triggers the alert
- landline plugs into the device for alert
- different flashing patterns or ring tones set up for each type of call

721137 \$79.95

## Amplified Ringer with Strobe

- 95 dB amplified ring with adjustable tone and volume
- Bright strobe flasher
- Alert options are strobe/audio, strobe only, audio only, or none
- AC powered

608502 \$39.95

## Telephone Ring Amplifier/Flasher

- 95dB amplified ringer with volume and tone control
- extra bright camera flash LED flasher
- optional bed shaker port
- signal options: flash and audio, flash and shake, audio and shake
- battery powered (4 AA)

812445 \$49.95

## Super Loud Phone Ringer

- super-loud 95 dB ring
- visual ring indicator flashes brightly to catch your attention
- adjustable ring volume and tone control
- choose from 4 distinct ring patterns
- AC Powered

SA250 \$29.76

## Telephone Ear Pad

- Sticks to your existing telephone handset to provide a buffer between the phone and your ear
- Helps reduce squeal and feedback from hearing aids

DB3251 \$1.96

# TELEPHONE RINGERS & AMPLIFIERS

## 45dB In-line Amplifier

- adjustable tone and volume control, up to 45dB
- automatic volume control optimizes sound level for superior listening comfort
- rotary dial for ease of use
- for use with corded phones only

**GH104 \$34.95**

## ClearSounds Portable Amplifier

- in line amplifier for corded telephones
- adjustable tone and volume control, up to 40dB
- economical way to boost the amplification on an existing phone
- AC powered

**608504 \$34.95**

## HearAll Cell Phone Amplifier

- Bluetooth amplifier pairs with your personal cell phone and amplifies all cell phone calls up to 40dB
- acts like an external handset for the cell phone, with an earpiece and a microphone
- adjustable tone booster
- speakerphone

**721136 \$99.95**

## Clarity HA40 In-Line Amplifier

Makes sounds louder, clearer and easier to understand, with up to 40 dB of amplification.

- compatible with analog, or digital phones
- one 9V battery (INC)
- adjustable volume and tone
- phone cannot be cordless or have the dial pad in the handset

**011413 \$34.95**

## Amplified Answering Machine

- 24 minute answering machine with adjustable volume, tone, and playback speed
- Up to 40dB of amplification
- rotary controls for easier control
- 3.5mm jack for headsets and necklooks

**721091 \$99.95**

## Serene® Strap-On Portable Phone Amplifier

- this portable amplifier contains an acoustic coupler that hugs the handset speaker tightly; feedback and squealing are virtually eliminated.
- amplifies sounds to 30 dB
- straps to a standard, cordless or pay-phone handset
- 2 AAA batteries and soft carrying pouch (INC)

**812452 \$29.95**

## Voice Tester

The VoiceTester was specifically designed to demonstrate and compare the performance and features of corded and cordless amplified telephones. When you pick up the connected phone, it automatically plays a pre-recorded voice message, in both a male's and a female's voice, to simulate someone talking on the phone. You can connect two phones to the VoiceTester so that you can compare two phones simultaneously.

**812433 \$54.95**

## Geemarc PAMP-40™ Inline Amplifier

- simple setup and connection offers enhanced clarity for corded phone conversations.
- incoming volume amplified to 40 dB
- voice detection for auto on/off

**812610 \$29.95**

870254 Black on White Keys \$99.00

870255 Black on Yellow Keys 99.00

## Typio Typing Tutor Software

Typio is an accessible typing tutor software program designed for teachers. For the student it has guided audio and large print instructions through the entire keyboard, with fun sound effects. For the teacher it has customizable practice lessons, individual student record keeping with detailed, printable reports, and the ability to review past lessons. Comes with 45 lessons which automatically save progress and advance only when the student meets their pre-set goals. Teachers can also create custom lessons. Windows only. Also available as an annual on-line license.

601132 \$99.95

# SCREEN MAGNIFICATION & SCREEN READER SOFTWARE

## iZoom Magnifier/Reader

iZoom software enlarges images on your computer screen up to 36X. You can also change screen and contrast colors, increase mouse size, realign web pages, and hear entire documents, emails and web pages spoken aloud. Magnification features include font smoothing, locator enhancements, 8 different zooming modes, and floating windows to "lock" a portion of the screen. Speech features include mouse echo, typing echo, narration, and speech controls. Speech can be in any of 17 languages, including Spanish. iZoom is available in either a single install CD version, or a non-installing USB version which you can plug into any computer and use on the spot.

885250	CD version	\$299.00
885300	USB version	399.00

## Dragon™ Naturally Speaking® Speech Recognition Software

Talk naturally to your computer with the included microphone, and the words appear on the screen. Integrated with Word Perfect and Word, commands are displayed right in the menu bar. The user can speak commands to proof-read, revise and edit text or listen to and dictate e-mail. Switch between applications by telling the computer which program to open.

859075 \$299.95

### SOFTWARE RETURN POLICY

All software is not returnable once opened. If for any reason you ordered the wrong software or received the wrong software in error, please contact customer service immediately at 800.537.2118 for a return merchandise authorization (RMA). We can only accept software returns if it is in the original, sealed packaging from the manufacturer.

## Reticare Blue Blocker Screen Protection

Newer digital devices such as tablets, laptops, and smart phones emit 5 times more high energy light than previous devices. High exposure to this light increases eye strain and could increase risk factors for the retina, including macular degeneration. It also can disrupt sleep patterns. Reticare screen covers help block this harmful blue light and reduce eye strain.

# HOW TO ORDER

Orders from individual customers must be prepaid, either by check, money order, MasterCard, VISA, American Express or Discover. Make checks payable to "Independent Living Aids".

## ORDER CONFIRMATION

If you supply your e-mail address, a confirmation of your order and a tracking number will be e-mailed to you.

## SHIPPING INFORMATION

Standard shipments are sent by UPS or USPS within the Continental USA. Third day, second day or overnight delivery is available at an extra charge, depending on the weight of the shipment. Please call for pricing for Canadian and all international orders. **Extra shipping charges may apply to some items, and this is indicated near the purchase price. Please add this amount to the "Extra Shipping" charges shown at the bottom of the order form.**

## RETURNS

If any product does not satisfy your needs, **it may be returned within 30 days.** Special orders are not returnable. Before returning any item, call 1.800.537.2118 to obtain a Return Merchandise Authorization (RMA). Refunds and credits are issued for the value of the merchandise, but not for the shipping and processing fee. To be acceptable for return, items must be in resellable condition and in their original manufacturer's boxes with all instructions and warranties. **THE MANUFACTURER'S BOX MUST NOT HAVE STICKERS, STAMPS OR WRITING ON IT, OR A RESTOCKING AND REBOXING FEE WILL BE ASSESSED.**

**When a restocking fee is indicated next to an item, it will be deducted from the refund.** Because of health department regulations, we cannot accept returns of items that have been used on or in the body, such as thermometers, ear/eye care products, bath/toilet products, earbuds, etc. Opened computer software is also not returnable.

## DAMAGED MERCHANDISE

If an order arrives damaged, ILA must be notified within 24 hours. The product and all packaging material must be retained until the matter is resolved with the shipping carrier.

## PRODUCT WARRANTIES

After ILA's 30 day return policy, products are subject to the original manufacturers warranty. Customers need to contact the manufacturer directly for repair or replacement of the item. Whenever possible, ILA will assist the customer with contacting the manufacturer. Please note that warranties cover defects in workmanship and material. They do not cover breakage or damage to the product resulting from customer abuse.

**SALES TAXES:** Shipments into the states of Wisconsin or New York are subject to sales tax, including tax on the shipping and processing fee. If you are an organization claiming tax exemption, provide a copy of your exempt organization certification, or resale certificate.

## PLEASE NOTE

Independent Living Aids is not responsible for typographical errors. Prices listed in this catalog supersede all previous catalogs. After our catalogs have been printed, manufacturers sometimes change specifications or prices of products or discontinue them completely. We therefore reserve the right to change prices or substitute items of equal or higher value. These items are fully returnable if they do not meet with your satisfaction.
