## COIL Visual Tracking Magnifiers

Designed to aid patients with Dyslexia and similar reading difficulties. The VTM helps patients concentrate their vision on individual words or sentences and removes the confusion caused by nearby text or pictures.

- .25" bright central viewing strip improves contrast, aiding saccadal eye movement
- easily tracked across the page, wide field of view, soft touch grips
- ideal for school-aged children and the elderly

5850-02	1.7X	2" Round Clear with Pouch	\$61.75

5850-23	1.5X	1.5" x .75" Bar with Blue Frame	41.75

## Zimmerman Simulation Kit

Kit contains lenses and funnels to use when demonstrating how a patient with a vision impairment sees. Includes 4 welder's goggles with 4 acuity loss lenses (approximate simulations of 20/70, 20/200, 20/400 and 20/600), 3 funnels that simulate peripheral field loss (tunnel vision) of 3, 7 & 10 degrees (approximately), and other lenses that simulate macular degeneration, cataracts, retinal detachment, and hemianopsia. Also included are occluder lenses which are used to eliminate ambient light. This is an excellent resource for vision-care professionals and educators.

454474 \$375.00

# ILLUMINATED MAGNIFIERS

## Extra Bright LED Stand Magnifiers

The 8mm LED bulb on these extra bright stand magnifiers evenly disperses a bright, but not glaring, white light across the entire viewing surface. Magnifiers are available in 9 different magnification powers and come with a sturdy zipper closed carrying case. Requires 3 AA batteries (NI.)

# ELECTRONIC MAGNIFICATION SYSTEMS

## Explorē Series

Humanware's Explorē line of portable electronic magnifiers is designed for active people with low vision who wish to have options in their electronic magnification. Small, lightweight, smart and easy to use, they are a great addition to your low vision toolbox.

### Explorē 8 HD

- 8" touchscreen HD handheld magnifier
- two ultra HD 21 megapixel cameras for close up and distance viewing
- up to 30X magnification in close up viewing
- large, physical buttons provide access to key functions; touchscreen control for all other settings
- built in reading stand; output for large screen viewing using HDMI
- 4.5 hour battery life

757889

\$1,199.00

### Explorē 5 HD

- smallest and lightest 5" portable CCTV currently available
- variable magnification from 2X – 22X
- folding stand can also serve as a handle
- HDMI output to a TV for large screen viewing
- freeze frame storage of 1,000 images
- 18 color enhance modes

757886

\$799.00

## Luna S 4.3" Electronic Magnifier

Handy mid-sized electronic magnifier can easily slide into a purse or a bag to give you easy magnification on the go – at restaurants, grocery stores, or doctors' offices.

- magnification from 2X – 19X
- 4.3" TFT screen with 10 viewing contrast modes, including full color
- bonus features including voice control, flashlight mode, and an FM radio
- measures 6.3" x 3.15" x 0.94" and weighs 7 ounces
- 3 hour battery life

251120

\$365.95

## 4.3" Portable Magnifier

- 4.3" LCD screen offers a good viewing area with convenient pocket portability
- 2X-32X magnification
- 15 high contrast color combinations to help find your best viewing mode
- easy to use, high contrast buttons for operation
- two way handle either works as a stand or as a handle
- output to a TV using an included AV cable
- 4 hour battery life

251118

\$295.00

## 3.5" Portable Magnifier

- electronic magnifier with 3.5" LCD screen is easy to throw in a purse or pocket
- magnification from 2X – 24X
- one freeze frame image, and 15 color options
- output to a TV using an included AV cable

251107

\$189.00

## Vision Buddy

The Vision Buddy TV viewing system uses a virtual reality headset to allow a user to view television programs more clearly directly through the headset.

- Vision Buddy streamer plugs directly into your own television, satellite or streaming player and then sends that HD quality video directly into the headset
- Images can be zoomed in and out
- enables the user to see the entire screen through the headset
- 3 different viewing modes allow for TV viewing, digital magnification of nearby objects and papers, and Optical Character Recognition
- no wifi or downloaded apps need

251117 \$2,995.00

## Patriot Viewpoint Wearable Technology

- wearable electronic magnifier with OCR provides handsfree magnification up to 20X
- close up or distance viewing
- OCR can scan and speak any printed material with just a few easy steps
- touch pad controls on the side of the glasses
- comes with ear phone jack and ear buds
- 1.1 pounds; 2 hour battery life

251116 \$2,995.00

## Miracle Mouse Electronic Reading Aid

- magnify and freeze images on your TV monitor
- easily move the mouse with rolling wheels on bottom
- reading modes: full color, B/W, W/B
- up to 20X magnification on a 20" monitor
- carry bag, power adapter and user's guide (INC)

859017 Wired \$105.95

## CloverBook LITE

- 12.5", Full HD (FHD) touchscreen magnifier with built in stand
- touchscreen or tactile buttons for greater flexibility of use
- 1X-60X magnification in reading mode; up to 18X in distance mode; self view mode
- internal battery operates for 4-5 hours on a 3 hour charge
- can connect to a TV or external monitor for larger viewing or split screen view
- includes protective carrying case; 5.3 pounds

251102

\$1,895.00

## Luna 8 Electronic Magnifier

- 8" electronic magnifier with 13 megapixel camera and 1280x800 pixel resolution
- 5 simple, tactile buttons, all located on front
- magnification from 2.5X – 19X
- line ruler, line masking (windowing)
- built in reading stand; output to TV or computer
- 4.5 hour battery life; 1.1 pounds

251084

\$849.95

## Mercury 8 Electronic Magnifier with Speech

- durable 8" electronic magnifier is built on a full Android tablet platform
- magnification settings are controlled using finger squeeze and tap actions (focus, zoom, color selection, freeze frame)
- OCR functionality scans and reads back any snapshot material
- start and pause speech as it is reading back; follow reading progress on the screen
- polycarbonate case with rubber grips for a rugged case
- integrated fold out legs
- 4 hour battery life

251114

\$995.00

## Reinecker Mezzo Series

Reinecker Vision of Germany has expanded its Mezzo line of CCTV's to offer a wide variety of monitor sizes, camera types, and portability options. All units still feature the distinctive folding HD LED monitor which folds flat for transport and offers spring form balancing for ergonomic positioning. The Focus camera uses Low Vision High Definition (LVHD) technology to offer a FullHD high resolution image with no blurring or shadowing. Simple 3 button operation offers auto focus magnification, 6 color selections including full color, and brightness controls with additional windowing and line marking.

### Mezzo Focus 24"

- 24" diagonal rimless monitor expands the viewing area, without significantly expanding the overall size of the monitor.
- 1920x 1080 pixel monitor resolution
- magnification from 3.8X to 45X
- 23 pound weight

251099

\$2,995.00

### Mezzo Focus 20"

- 20" diagonal high resolution flatscreen LED monitor
- 1600 x 900 pixel resolution
- magnification from 2.4X to 30X
- 20 pound weight

251092

\$2,695.00

### Videomatic 20"

Reinecker's Videomatic 20" electronic magnifier combines contemporary design with innovative technology to provide a reliable, proven magnifier which is excellent for many different operating environments.

- fixed (non-folding) swivel-tilt monitor arm can precisely position the monitor
- 20" diagonal high resolution flat screen monitor
- magnification from 4X to 42X
- 4 large, tactile push button controls for easy and intuitive operation
- 6 color contrast modes including full color; windowing and line marking
- 26 pound weight

251095

\$2,495.00

## MANO 6

The Mano 6 electronic magnifier by Reinecker offers both touch screen and tactile controls, providing real flexibility. The 5.5" diagonal screen with widescreen format has a terrific resolution of 1920x1080 pixels and makes reading easier. Magnification ranges from 2X to 35X. Place the Mano on a table using its integrated stand or use the fold out handle for quick tasks such as checking a price. Internally store up to 2GB of freeze frame images, or transfer them to a microSD card. Also offers 16 color combinations, line ruler, line masking (windowing), and auto on/off. 3 hour battery life on a 2.5 hour charge.

251110

\$795.00

## MANOtouch 4

MANOtouch 4 uses customizable touchscreen controls to deliver a personalized user experience. Magnification of 1X to 20X on its 3.5" screen. Flicker free viewing with minimal glare. HDMI port allows for image export to an external screen for larger viewing. Saves up to 100 freeze frame images. Comes with an inductive charger.

454703

\$449.00

All Reinecker Mezzo units, add \$30 Additional Freight

Restocking Fee Will Apply For Returns

- height: max: 17.50"/min: 11.25"

369205 \$39.95

## Color Changing Desk Lamp

Three different color temperatures allow the user to find the LED color that is most comfortable for their needs or specific task.

- 3,000K, 4,000K and 6,000K color choices
- colors range from warm white to bright, daylight white
- 400 lumens brightness
- 11" soft rubber gooseneck

401119 \$49.95

## OttLite Cobra Color Changing LED Lamp

- offers choice of three different LED temperatures
  - 3,000K warm white
  - 4,000K cool white
  - 5,000K daylight
- dimmable with maximum brightness of 500 lumens
- flexible arm adjusts from 24" max height to 9"
- USB port in base for charging personal devices

401118 \$89.95

## Rechargeable LED Lamp

- portable, rechargeable lamp can operate on low setting for 10 hours or 4 hours on brightest setting
- great for adding extra light without plugging in
- lightweight, foldable design can easily be packed up and put in a bag for travel to a local restaurant, library, or game night
- 6,000K daylight bulb color
- 150 max lumens
- 11" high

401111 \$49.95

## Simple Desktop Task Lamp

Great little gooseneck desk lamp uses a standard 60 watt screw in bulb to provide extra lighting wherever you may need it. Use one of our premium LED screw in bulbs or a Chromalux bulb to gain even better performance from this handy task lamp. 15" high. Bulb not included.

401019 \$16.95

## Z-Line LED Lamp by Enfren

Modern looking desk lamp offers high brilliant white LED lighting with glare control filters that help to reduce eye strain.

- inverter circuit reproduces natural light and prevents flickering
- soft switch for control; space saving design
- 3 flexible joints yield excellent angle adjustment

369323 \$29.95

## OttLite LED Clip and Freestanding 2.25X Magnifier

Two Natural Daylight LED lights and two 2.25X magnifiers let you see your work up close and in true color. The magnifier can be removed from its stand and clipped to your workstation for hands free convenience.

- flexible gooseneck; swivel base
- 3 AAA batteries (NI)
- maximum height: 16.65"

369212 \$26.95

## Premium LED Bulbs

Patent holding LED bulbs are designed to produce less flicker and less blue light than standard LED bulbs. This helps reduce eyestrain and protects retinas from damaging light. LED's are incredibly energy efficient and have very low heat output. Compatible with traditional 60 watt fixtures. 780 lumen output, 3,000K warm white color. Bulbs will last 25,000-100,000 hours.

401103 Clear  
401104 Frosted

\$15.95  
15.95

## Chromalux Bulbs

These bulbs filter out yellow rays that dull visual perception. They enhance original colors and textures, lasting approximately twice that of incandescent bulbs.

172875	60W Frosted	\$7.45
173405	75W Frosted	7.95
172880	100W Frosted	8.45

## WayAround Product Tagging System

The WayAround product line is a combination of smartphone app and physical WayTags™ that allow you to tag and label nearly everything in your environment. Download the free app for either iPhone or Android onto your own smartphone. Attach one of the different shaped tags to clothing, food products, files, medicines and more. Create a label for that tag on your phone by either typing or recording your message for that tag into the WayAround app. To identify that item in the future, scan your smart phone over the item. The message associated with that tag will appear on the phone screen, and with VoiceOver or TalkBack turned on, it will be spoken out loud. Visit our website to learn more about the WayAround system and different WayTag options.

461118 WayTag Starter Kit \$62.95  
461120 WayTag Laundry Starter Kit 42.95

## RNIB PenFriend™ III Voice Labeling System

## Classic Perkins Brailier

The Classic Brailier represents the standard for Braille excellence.

- embosses 25 lines with 42 cells each on an 8.5" x 11" paper
- adjustable margin stops can accommodate different sizes of paper
- audible bell sounds 7 spaces before the end of a line
- includes leather dust cover and wooden eraser

**585360** **\$810.00**

**Extra Shipping** **15.00**

## Perkins Smart Brailier

The Perkins Smart Brailier offers an intuitive way to teach and learn Braille. Using a 6 key Braille keyboard and a color video screen that displays SimBraille and large print, students hear the letters as they are typing and teachers view the letters on the screen.

- edit, save and transfer documents electronically via USB
- emboss on paper- 28 cells per line, 26 lines
- includes built in speaker, headphone jack, and rechargeable battery
- speaks multiple languages including English, Spanish, or French

**531269** **\$2,195.00**

**Extra Shipping** **15.00**

## Orbit Reader 40

- 3-in-1 Braille device is a self-contained notetaker, braille display, and book reader
- 40 eight dot refreshable Braille cells, 8 Braille input keys, cursor and 4 way panning keys with audio and haptic output
- connects to a computer or smartphone via USB or Bluetooth and can support Android, iOS, Windows, and Chrome
- on board forward and backwards translation supports 40+ languages and all screen reading programs
- on board apps for a clock and alarm, calendar, and calculator
- measures 11.6" x 3.8" x 1.3"; weighs 1.65 pounds

**521077** **\$1,499.00**

## Orbit Reader 20

- 3-in-1 Braille device is a self-contained notetaker, braille display, and book reader
- 20 eight dot refreshable Braille cells, 8 Braille input keys, cursor and 4 way panning keys
- connects to a computer or smartphone via USB or Bluetooth and can support Android, iOS, Windows, and Chrome
- supports all languages and screen reading programs
- SD card slot
- measures 6.6" x 4.3" x 1.25"; weighs less than one pound
- rechargeable battery last approximately 3 days under normal use

**521075** **\$649.00**

**521075-CASE Carrying Case** **28.95**

## Braille Slate with Fixed Clipboard and Writing Guide

- 2 line by 28 cell slate
- wooden writing board comes with a clip for holding paper
- board also has holes for holding slate at regular intervals
- clip and holes both help keep braille in nice straight lines
- board measures 7.5" x 11"

**126583** **\$22.95**

## Arithmetic and Algebra Frame

- tactile method for teaching math and algebra
- 18x25 hole grid
- tray at bottom holds 50 metal pegs
- whole board measures 7.5" x 12"

**363619** **\$19.95**

## Algebra Frame with Abacus

- tactile method for teaching math and algebra
- 18x25 hole grid
- tray at bottom holds 50 metal pegs
- includes 15 rod abacus
- whole board measures 11.5" x 9.5"

**363620** **\$22.95**

# MOBILITY AIDS & CANES

## Victor Reader Trek Talking GPS

Victor Reader Trek is a handheld talking GPS for people who are blind or visually impaired. It also incorporates all of the simple book reading and media playback experience of the Victor Reader Stream, giving you two great devices in one!

- verbally announces names of streets, intersections, and landmarks
- can locate a location by typing in the address, searching for a landmark, or pulling up a pre-recorded route
- different directions for pedestrian versus vehicle navigation

454570 \$849.00

## Sunu Band Mobility Guide and Smart Watch

Wrist worn smart watch uses sonar technology to provide haptic (vibration) feedback regarding the user's surroundings and other information. Used along with a guide dog or white cane, it can provide information on obstacles that are above ground level.

- navigation mode has short range which senses objects up to 5 feet; long range mode senses objects 16 feet away
- smart watch can tell the time and create alarms using vibration patterns
- Sunu tag can be attached to an object such as keys and used to page that object
- free Android or iOS app will allow for future upgrades and can be used to customize the sonar range, sensitivity and vibration intensity

142411 \$299.00

## Miniguide Mobility Aid

The Miniguide Mobility Aid is a handheld device that uses ultrasonic echo location to detect objects in front of the walker. Vibration rates increase as the walker gets closer to the object. The Miniguide should be used as a complement to a white cane or guide dog.

- 5 different detection ranges can be set from 1.5 feet to 24 feet, depending on the user's environment and skill level
- preferred ranges can be set up on a "preset" setting for toggling between 3 preset ranges
- audio feedback is available both for training purposes or as an alternative to vibration, when used with an earphone
- uses 1 CR123 lithium battery, included

142422 \$499.00

## BuzzClip Mobility Guide

Small, discreet BuzzClip provides hands free detection of waist or head level obstacles. It clips on to an article of clothing and vibrates with increasing intensity as the user gets closer to an object. To be used as a complement to a white cane or guide dog.

- 2 sensitivity ranges of 3 feet or 6 feet
- 6 horizontal feet range has a 3 feet vertical range, covering head height objects when clipped to a shirt lapel
- can be used indoors or outdoors
- rechargeable battery lasts 10 hours on a charge

142409 \$249.00

## Columbus Talking Compass

A hand-held device announces the major compass points and the interim points. Measures 2.75" x 2" x 1" and weighs less than 4 ounces and fits comfortably in the hand. Speaks in English and Spanish. Requires two 12V batteries (included).

182355 Compass \$68.96 272602 Single 12 Volt Battery 1.99

# AMBUTECH CANES

Ambutech mobility canes are available in a wide variety of materials (graphite, aluminum, and fiberglass), tips, colors, lengths, and section counts. If you don't see the configuration you are seeking, please ask a sales or customer service representative for assistance.

## Ambutech Premium Aluminum Folding Mobility Cane

Constructed of heavy-gauge aluminum, creating strong joints and excellent tactile transmission. They are easy to fold and have an extra knot that enables easy replacement of the hook style tip. Canes are available in 2" increments from 36" to 60" in 4, 5 or 6 sections, depending on desired length.

PAS4090	Rolling Marshmallow Tip	\$31.14
PAS4020	Marshmallow Tip	24.97
PAS4050	Pencil Tip	24.97
Specify length and number of sections		

## Ambutech Premium Graphite Mobility Canes

Ambutech's graphite canes are lighter, more flexible, and stronger than comparable aluminum canes. New conical joint design provides superior tactile transmission and allows the canes to fold and unfold with ease. Canes below have hook style tips and are available in 2" increments from 36" to 60," in a one piece rigid style, or in 4, 5, or 6 sections, depending on desired length.

PGS4090	Rolling Marshmallow Tip	\$42.55
PGS4020	Marshmallow Tip	36.38
PGS4050	Pencil Tip	36.38

## Folding Fiberglass Cane with Pencil Tip

Fiberglass canes offer excellent flexural strength and durability, and are generally stronger than aluminum canes. However, they are heavier than aluminum. Slip on pencil tip serves as a good baseline tip. Canes are available in 2" increments from 36" to 60" in 4, 5, or 6 sections, depending on length.

PFS3050 \$27.84

## Identification Cane

Ambutech's lightweight 5 piece cane is designed for low vision individuals who need only limited cane assistance but who do wish to be recognized as having low vision while out and about. High visibility is insured with a red reflective bottom section. Available in 28" to 56" lengths in 2" increments.

SAN4010 \$16.31

## Ambutech Pharos Light

Clip on cane light can fit 3 different cane sizes: 1/2", 3/8", and 5/8". Provides an extra 40 lumens of light. USB rechargeable battery, with 45 minute run time.

AM6001 \$15.32

## Revolution Graphite 4 or 5 Section Folding Cane

Flexible and lightweight, they transmit the "feel" of the terrain with a large diameter, super tough polymer pencil tips and straight rubber handles. They come in 2" increments from 36" to 60".

REV-4	36" to 44"	\$46.95
REV-5	46" to 60"	46.95

### Additional Tips

363491 \$28.95

## ISA Soccer Ball with Bells

An authentic, industry-standard soccer ball, it's the exact size and weight of a pro ball. This audible ball contains two jingling bells inside. Both require inflation.

108433 Regulation White \$14.95  
108431 Small Red (5.5") 9.95

## ISA Soccer Ball with Rattle Pods

Durable, industry standard, regulation size (8.5") soccer ball with rattle pods. It has the same characteristics of the pro balls used by professional soccer players worldwide, with revolutionary rattling disks installed for louder, continuous sound. The even distribution of the rattle pods enables fair play, not interfering with the movement of the ball. Rattles continue to sound for two seconds after ball stops moving.

108434 \$24.95

## Volleyball with Bells

This standard size volleyball comes with internal bells for easier identification. Helps keep everyone in the game. Requires inflation.

108439 \$14.95

## CAN-DO Basketball with Bells

Regulation size 7 basketball has 2 jingling bells in it to always allow a player to know where the ball is. Requires inflation.

108412 \$14.95

## Hand Pump for Bell Balls

Many of our bell balls come requiring inflation. This hand pump is especially designed for inflating balls and allows the user to quickly get in the game or to top off a ball that is getting low.

441008 \$4.95

## Goalballs

Goalball is a sport played internationally and at a Paralympic level. The ball contains internal bells that when rolled make a loud, crisp, sleigh-bell sound that alerts each player to the ball's location. Foam-like textured-rubber outer layer; ball measures 9.5" and weighs 2.75 lbs. Yellow is perfect for practice and unofficial games while the blue ball is used for official games.

108411 ISA Yellow \$54.95  
108410 Official Blue 84.95

# Household

## Kitchenware Induction Cooktop for Safe Cooking

The induction surface does NOT heat up, only the vessel holding the food gets hot. Food heats up through electromagnetic technology using magnetic cookware to generate heat. Stainless steel and cast iron pots work perfectly. Safe and practical for anyone who is sight impaired because there is no flame or red-hot surface.

- auto shutoff; dual functions, cook and warm
- touch-sensitive LED panel with control lock
- up to 8-hour timer
- automatic pan detection

201106N

\$89.95

## Magic Chef Talking Microwave Oven II

This microwave oven is specially modified to talk, making it accessible and simplifying its use for those with low vision or no vision at all. Around each button of the keypad is a raised ring to make them easy to locate by touch. A momentary press of any button will tell you what the button does.

- 1000 watts maximum cooking power; 1.0 cubic foot oven space
- clear male voice with adjustable volume
- 4 power level settings, built-in kitchen timer, built-in clock
- audio instruction cassette tape and written instructions included

813203 \$19.95

## RiVO2 Smartphone Keyboard

RiVO 2 is a portable Bluetooth keyboard about the size of a credit card. It allows blind and visually impaired smartphone users to more easily access all the functionality of their phones using tactile keys. With its 20 tactile keys, RiVO can manage 50 phone navigation commands, touch typing, Voice Over support, and music and audio control. Examples include commands to switch between apps, scroll through a page or list, read an item, or search your phone. All phone sounds, including VoiceOver, can play through the keyboard's speaker or earphone jack, allowing you to keep your phone tucked away.

601149 \$329.00

## Guardian 911 Emergency Alert System

- emergency alert communication system provides 24/7 access to a live 911 operator
- pushing the pendant button calls 911 and triggers the speaker on the pendant for 2 way communication with the 911 operator
- no need to shout into a speakerphone across the room
- pendant is splash resistant and can be taken into a shower
- no monthly fees
- requires AC power and an active telephone landline

812570 \$149.95

## Phone Hang Up Box

- connect to a land line phone, and box will "hang up" the phone line if the user forgets to put the phone back in the cradle or turn off the cordless button
- set a timer to release the line again after 15, 30, or 60 minutes
- extra loud ringer so that the phone can still ring, even if it wasn't hung up
- great device for people who may forgot to properly hang up their phone

501065 \$55.95

\* For Caller ID announcements, you must subscribe to Caller ID service through your local provider

# Mobility

## CANES

### Offset Handle Cane

- soft foam grip
- offset handle centers user's weight over the strongest part of the cane
- adjustable handle height from 30" to 39"
- 300 pound weight capacity

541037 \$20.95

### Ambutech Adjustable Quad Cane

- 4 footed support cane provides a wide stance quad design for better balance
- height adjusts from 29" to 35"
- available with either a white or a red bottom. Please specify

CD7020 \$26.35

### Hurry Cane Freedom Edition

Foldable, freestanding cane with a pivoting base provides greater stability and support when you are walking. Comfort grip handle with strap. Available in black, blue, purple or red.

142421 \$49.95

### UStep LaserCane

The LaserCane projects a bright red line across your path creating a safe, obstacle-free visual cue, which can enable Parkinson's patients and others to break "freezing" episodes and increase stride length. The LaserCane is perfect for those seeking minor walking support with freeze-reduction technology.

- lightweight, height-adjustable from 5'0" to 6'1" tall
- 2 AA batteries (INC)

158462

\$239.95

### Rain Cane

Nifty 2 in 1 device is both a sturdy walking cane and a large umbrella! When used as a cane, umbrella is twisted closed and tip of the umbrella is the walking tip. When it rains, remove the umbrella from the cane shaft. You still have the full size cane, plus a standalone umbrella. Ingenious.

541033 \$39.95

### Ice Grip Cane Attachment

- attaches to most support canes and provides flip-up 5-prong ice gripper

MED127 \$7.25

### Clip On Cane Holder

- use to hang your cane on a table. Fits canes 0.6" to 1" in diameter.

142415

\$7.45

### Large Cane Hook

- easily snaps on a cane shaft
- allows for secure and accessible placement of cane while resting
- fits most support canes

AM5200

\$6.50

### Support Cane Lite

- LED light clips onto the shaft of a support cane or walker, 3/4" to 1 1/16" diameter
- Uses 1 AA battery (incl)

541032

\$9.95

# Hearing

## Williams Sound Pocketalker 2.0

**WILLIAMS SOUND**

Do you have a hard time hearing dinner table conversations? A casual conversation among friends? The Williams Sound Pocketalker 2.0 offers conversation amplification to people who might need extra help but don't have a hearing aid. The Pocketalker 2.0 provides superior sound and unparalleled frequency control.

- extended high and low frequency range with rotary control for precise positioning
- left/right volume control balance
- ergonomic design
- built in T-Coil compatability
- up to 105 hour battery life
- includes 1 stereo earbuds and 1 stereo headphone
- measures 4.9"L x 2"W x 1"H; weighs 3.1 ounces

**617763 \$205.00**

## Williams Sound Pocketalker Ultra®

Amplifies nearby sounds while reducing background noise. Features a lightweight design for portability. Offers adjustable volume and tone control to customize your listening environment whether your hearing loss is low-frequency or high-frequency sounds.

- 12-foot extension cord lets you place the microphone near a TV or a conference table
- measures 3.4" x 2.25" x 1"; weighs 2.5 oz.
- 100-hour battery life
- 2 AAA batteries (INC)

**617764 Pocketalker, no Earphones \$155.00**  
**617736 Headset & Single Earbud 155.00**  
**617742 Rear-Wear Headset 155.00**

**MM100 Handheld MIC104 \$84.95**

**MM200 Conference MIC112 \$89.95**

## Additional Neckloops

Neckloops work with hearing aids equipped with a T-Coil. Plug these neckloops into your personal amplifier to receive that amplified sound directly into your T-Coil.

**617733 Williams Sound Neckloop \$57.95**  
**SED117 Bellman Neckloop 39.95**  
**SED119 Bellman Stethoclips 49.95**

## WEAR Assistive Listening Device

The Wear ALD uses patent pending technology with 10 directional microphones to amplify close sounds (< 6 feet away) and not amplify far noises. This way the user hears only the person speaking and not distracting background noises. The directional arrangement of array microphones means that the user does not have to point the device in the direction of the speaker. The 2" diameter Wear clips onto a user's clothing via a magnet, providing hands-free amplification with adjustable volume for the listener. Uses a rechargeable battery.

**617720 \$139.00**

## HA HA Personal Communicator

This handheld, personal amplifier is a great little portable device for amplifying quick conversations around you. Hold the speaker directly against your ear, and the microphone on the other side picks up the conversation and amplifies it through the handset.

- adjustable volume control, up to 45dB gain
- recharges while in its cradle
- cradle also sterilizes the handset so it can be used by anyone needing amplification
- measures 2.1" x 5.6" x 1.7"
- includes storage bag

617739

\$149.95

## Comfort Audio Duett Assistive Listening Device

The small, stylish Duett features high-quality sound amplification, plus optional modules to amplify television or telephone conversations. A built-in T-coil allows you to use the Duett in rooms equipped with a loop system.

- amplifier automatically turns on when headset is lifted from the base unit
- useful for one-on-one or group conversations
- rechargeable battery provides 15-20 hours of operation
- measures 3.4" x 2.5" x 1" and weighs 1.75 oz.

**HD300-HP Duett w/Headphones \$169.95**

**HD300-LOOP Duett w/Neckloop 219.95**

\$11.95

## TV SoundBox®

Portable and wireless speaker brings stereo TV sound right in front of you so you don't have to listen from across the room

- volume control works independently of the television volume, allowing you to turn the TV down or even completely off
- high fidelity speakers deliver loud, life-like sound and crystal clear dialog
- Adjustable Voice Enhancing makes each word fully intelligible and easier to comprehend
- Built-in rechargeable battery (up to 8 hours of listening time)

812458

\$149.95

## AMPLIFIED PHONES—CORDLESS

### Clarity® Pro XLC3 DECT 6.0 Cordless Amplified Talking Phones

With incoming amplification up to 50+ dB and outgoing speech up to 15 dB this phone is an ideal solution for severe hearing loss or quiet speech. Four tone settings, large font, and a high contrast screen also assist individuals with low vision and limited mobility. The large backlit buttons as well as the talking keypad, speakerphone and talking caller ID make this an ideal solution for seniors as well.

- illuminated talking dial pad with large buttons that speak the number that is pushed
- extra loud ringer (95 dB) with adjustable tones
- expandable up to 4 handsets
- super bright visual ringer with voicemail indicator
- TIA-1083 compliant and hearing aid compatible with a direct connection to assistive listening devices or headset (2.5mm or 3.5mm)
- model 721149 also allows user to pair 2 bluetooth devices, such as a cell phone, to amplify that cell phone through the Clarity handset

812521	XLC3.4+	\$159.95
721149	XLC7BT Bluetooth	169.95
721151	Add'l XLC Handsets	99.95

### Serene Innovations® Big-Button Cordless Amplified Phones with Talkback Keypad

Intuitive design features large backlit buttons, talking caller ID and one-touch memory buttons. Loud, crisp and clear amplification utilizes High Definition Sound technology promoting crystal clear communication.

- 50+ dB amplification
- DECT 6.0 technology for extended range
- high-performance speakerphone with selectable tone settings
- talking caller ID/call waiting
- one-touch emergency button
- 3 one-touch memory buttons and caller ID display (812303)
- 8 one-touch memory buttons with talking (only) caller ID (812305)
- 3 speed buttons and answering machine (812309)
- expandable up to five handsets
- beltclip and lanyard for easy carrying
- 2.5mm headset jack; 3.5mm neckloop jack
- battery backup

## Clarity Bluetooth Enabled Amplified Cordless Phone

- 40dB DECT 6.0 cordless phone
- can pair to a Bluetooth cellphone to receive the cellphone calls over the Clarity amplified handset, delivering amplified cellphone calls
- different ring tones for landline versus cell phone inbound calls, with selection from 10 different ring tones
- pair up to 2 Bluetooth devices to amplify multiple cell phones or headsets
- landline not actually required if the phone is to be used just to receive cell phone calls
- digital answering machine, large buttons, adjustable tone control
- expandable up to 5 total handsets

721126 BT914 \$119.95  
721132 Additional Handset 49.95

## Clarity Big Button Phone with 35dB Amplification, D703

A terrific phone for both the hard of hearing and those with low vision. Moderate amplification combined with large, back lit high contrast buttons make it a great solution for many.

- 35dB amplification
- Clarity Power™ technology minimizes background noises and eliminates feedback and distortion
- 4 different tone settings to customize listening experience
- visual Caller ID
- handset speakerphone
- Hear-It-Ring Clarity ringer with 10 loud and clear melodies and 6 levels of adjustable volume; super bright visual ringer
- 10 two-touch speed dial buttons

721152 \$74.95  
721121 Additional Handset 52.95

## Clarity D704/D714 40 dB Cordless Phones

The D700 series combines hearing, vision and mobility solutions into one great value. With Clarity Power, and DECT 6.0 transmission, interference-free communication is readily accessible.

- amplifies incoming sound up to 40 dB; 4 tone settings for customization
- eliminates feedback and distortion, minimizes background noises
- large buttons on backlit keypad; high contrast numbers on Caller ID screen
- handset speakerphone
- 10 speed dial buttons; 20 last number redial memory
- 100 name/number phonebook with 10 memory buttons
- bright visual ringer with 10 melodies plus 6 levels of volume
- expandable up to 5 handsets
- direct connection to assistive listening devices or 2.5mm headset
- model D714 includes an answering machine
- model D712 includes an answering machine, but has only 30dB amplification

186274 Clarity D714 \$114.95  
186273 Clarity D704 99.95  
186275 Expandable Handset D704/714 59.95  
721125 Clarity D712 79.95  
721134 Expandable Handset D712 49.95

## AMPLIFIED PHONES—CORDED

### Geemarc AmpliPower 60+ 67 dB Multifunction Telephone

- hands free speakerphone with volume control

812351

\$169.95

## Clarity® JV35™ Talking Phone

Ideal for users with low vision, this phone has Braille keys and a talk-back feature which speaks each number as it is pressed. It also has 50 dB of amplification.

- adjustable volume and tone control; adjustable ring volume (85 dB) with visual alert
- recommended for mild to moderate hearing loss
- large, high-contrast numbers with Braille markings
- each number "talks back" when pressed to help prevent misdialing
- 3 one-touch emergency keys and 10 memory-dial buttons
- 3.5mm neckloop jack
- available with white or black buttons

186258    black buttons    \$144.95

186256    white buttons    144.95

## ClearSounds® CSC500 Amplified Freedom Spirit Phone

With a specially designed circuit this phone has extra loud receiver levels with an enhanced ring volume. The CSC500 is designed to ensure easy and effective communication for those who depend on it.

- 40 dB amplification with full range tone control (108 dB SPL)
- full duplex speakerphone in base; big-button, easy-to-read keypad
- 85 dB adjustable ringer and bright visual ringer
- 8 one-touch photo memory dial buttons; 3 one-touch memory dial buttons
- hearing aid compatible
- table/wall convertible; 2.5mm headset jack
- jack for optional vibrating bedshaker

812604    CSC500    \$89.95

## Clarity® E814 Corded/Cordless Combo, 40dB

This convenient, expandable phone combination gives you a 40dB corded phone and a 35dB cordless phone in one easy package.

- amplified digital answering machine
- high contrast caller ID screen
- extra loud speakerphone on base
- 5 one-touch speed dials
- 10 different ringer melodies with 6 volume levels
- expandable up to 4 cordless handsets, total

721119    Corded/Cordless Combo    \$124.95

721121    Add'l Cordless Handset    52.95

## 50dB Emergency Telephone

The Ampli600 Amplified Emergency Connect (AEC) Phone is a 50dB amplified phone with caller ID, speakerphone and emergency connect features all in one unit. In the event of an emergency, a user presses a button on the separate transmitter, and the phone automatically starts to dial 6 pre-programmed numbers. When a real person picks up this call, they hear a pre-recorded message and then activate the sender's speakerphone to speak to the person in trouble. System includes 2 battery operated waterproof remote transmitters.

721085    \$149.95

## Amplified Corded Telephones with Assorted Features by Future Call

Future Call telephones provide 40 dB of amplification, large keypads and visual ring alerts.

- 721153 offers one-touch photo dialing for ten often-used numbers; 2-way speakerphone
- 812540 contains jumbo keys, easy memory buttons and a 2-way speakerphone
- 812535 has big buttons, 3 one-touch memory or photo dials, and a two-way speakerphone
- all phones are LINE POWERED - no batteries or AC adaptor is ever needed and the phonebook and memory are never lost

## BUSINESS PHONES

### Amplified Business Telephones

Sophisticated business telephones provide 40dB or 50dB of amplification in either 1 line or 2 line phones. Phones can digitally adjust frequency-specific volumes so that any user, especially those in noisy environments, can comfortably hear a caller's voice. The conference grade speaker phone restores low-frequencies sounds to deliver a crisp acoustic experience only found in high end phones. Huge 7.4", 3 line display is easy to read, even from a distance.

- automatic activation for frequency specific amplification
- RJ22 and 2.5mm headset jacks with built in amplification
- 99 name directory
- 7 one-touch memory dials
- one touch call forwarding

## ClearRing Amplified Phone Ringer/Signaler by ClearSounds

- 95 dB audible ringer with various tone levels
- bright LED flashing strobe
- jack for optional vibrating pad
- easy installation for table or wall
- measures 12" x 8" x 1"

PS48 \$49.95

## Super Loud Phone Ringer

- 95dB ringer with adjustable volume
- ring tone control
- powered by phone line; no battery or AC necessary
- good for moderate to severe hearing loss

011412 \$34.95

## Amplified Ringer with Strobe

- 95 dB amplified ring with adjustable tone and volume
- Bright strobe flasher
- Alert options are strobe/audio, strobe only, audio only, or none
- AC powered

608502 \$39.95

## Super Loud Phone Ringer

- super-loud 95 dB ring
- visual ring indicator flashes brightly to catch your attention
- adjustable ring volume and tone control
- choose from 4 distinct ring patterns
- AC Powered

SA250 \$29.76

## Phone Hang Up Box

- automatically "hangs up" or reconnects a phone line which has not been properly hung up
- works for corded or cordless phones
- timer can be set to reconnect the line after 15, 30, or 60 minutes
- box has its own visual and audible ringer to ring when a new call comes in, if phone has not been hung up

501065 \$55.95

## Universal Ringer/Flasher

- telephone signaler alerts user to both landline and cell phone calls
- cell phones rest in the cradle and incoming call vibration triggers the alert
- landline plugs into the device for alert
- different flashing patterns or ring tones set up for each type of call

721137 \$74.95

## Telephone Ring Amplifier/Flasher

- 95dB amplified ringer with volume and tone control
- extra bright camera flash LED flasher
- optional bed shaker port
- signal options: flash and audio, flash and shake, audio and shake
- battery powered (4 AA)

812445 \$49.95

## Krown Strobe Light Phone Alert

- built-in strobe flashes as telephone or TTY rings
- works with any analog phone system
- powered by the phone line; no battery needed
- measures 3.25" x 2" x 1.25"

PS11 \$24.95

# TELEPHONE RINGERS & AMPLIFIERS

## 45dB In-line Amplifier

- adjustable tone and volume control, up to 45dB
- automatic volume control optimizes sound level for superior listening comfort
- rotary dial for ease of use
- for use with corded phones only

**GH104 \$39.95**

## ClearSounds Portable Amplifier

- in line amplifier for corded telephones
- adjustable tone and volume control, up to 40dB
- economical way to boost the amplification on an existing phone
- AC powered

**608504 \$34.95**

## Serene® Strap-On Portable Phone Amplifier

- this portable amplifier contains an acoustic coupler that hugs the handset speaker tightly; feedback and squealing are virtually eliminated.
- amplifies sounds to 30 dB
- straps to a standard, cordless or pay-phone handset
- 2 AAA batteries and soft carrying pouch (INC)

**812452 \$26.95**

## Geemarc PAMP-40™ Inline Amplifier

- simple setup and connection offers enhanced clarity for corded phone conversations.
- incoming volume amplified to 40 dB
- voice detection for auto on/off

**812610 \$29.95**

## HearAll Cell Phone Amplifier

- Bluetooth amplifier pairs with your personal cell phone and amplifies all cell phone calls up to 40dB
- acts like an external handset for the cell phone, with an earpiece and a microphone
- adjustable tone booster
- speakerphone

**721136 \$99.95**

## Amplified Headphones

- pairs with mobile phones, tablets, or other wireless devices
- adjustable volume to enable listening at a user's preferred level
- on-ear controls and microphone allow user to answer and respond to cell phone calls
- 18 hours listening time on a 2.5 hour charge

**781071 \$69.95**

## CentralAlert Mini Notification System

The Serene CentralAlert Mini Notification System gives the user quick alerting coverage for cell phones, land lines, and doorbells. With an extra loud ringer and bright flash, unit can alert user to home/cell calls, texts, and Skype using different flash patterns and adjustable ringtones. Optional bed shaker. It is also compatible with Serene's Central-Alert receivers CA-360, CA-PX, and CA-RX (see page 79).

**731063 \$99.95**

# ALERTING SYSTEMS

## Bellman Visit 433

Bellman Visit is a cordless detection system that helps the deaf, hard of hearing and others to detect important signals and alarms in the home. With Bellman Visit you will easily receive notification of your doorbell, telephone, or baby crying in your home. Combine the various receivers and transmitters in almost any way to customize your own package. Each system must have at least one transmitter and one receiver.

### Transmitters

**Door Transmitter** alerts you to a ringing doorbell.

**BEL112 \$81.95**

**Telephone (multipurpose) Transmitter** detects an incoming call.

**BEL114 \$81.95**

### Receivers

**Portable Receiver**

**BEL100 \$135.95**

**Alarm Clock Receiver**

**BEL108 \$169.00**

**Pager Receiver**

**BEL102 \$196.95**

**Flash Receiver**

**BEL104 \$173.95**

**Bed Shaker**

**BEL106 \$29.95**

**Pager Charger**

**BEL132 \$70.95**

## Wireless Doorbell with Strobe and Chime

This wireless system rings a chime and flashes a bright strobe when the doorbell rings. Wireless doorbell affixes outside and the strobe receiver plugs into any AC outlet in the house. Strobe receiver operates up to 100 feet away from the doorbell.

**731024 \$88.95**

## Clarity Alertmaster, AL10

The AlertMaster AL10 Visual Alert System monitors the telephone, doorbell, and various sounds and motion within its environment, and provides either a flashing light in various patterns or a bed vibration when one of those activities takes place. It is easy to use and easy to see because of the simplified design with large, backlit icons, large 3.5" display, and alarm clock. Base unit includes the main receiver, bed shaker, and wireless doorbell. Additional transmitters may be required for different types of activities.

**835962 AL10 Base Unit \$189.95**

**11420 Baby Cry Signaler 49.95**

**11424 Door Announcer 49.95**

## Talking Smoke and Carbon Monoxide Alarm

Kidde smoke and carbon monoxide detector features a loud 85dB audible alarm (at 10 feet) and will also announce "Fire! Fire!" or "Warning! Carbon Monoxide." Must be hard wired, but has 2 AA battery backup.

**310119 Smoke/CO Detector \$69.95**

## Kidde Strobe

Optional extra bright LED strobe can connect directly to 310119 Kidde Smoke/CO Detector to provide extra visual warning. 177 candela strobe must be hardwired.

**310120 Strobe**

**\$94.95**

# ALERTING SYSTEMS

Alerting systems can alert deaf and hard of hearing people to important activities around the house. They can notify user of doorbells, phones, smoke or CO detectors, crying babies, or weather alert alarms. Many systems come with a base receiver and several basic accessories such as a doorbell transmitter and a bed shaker.

## Serene CentralAlert System CA360

- uses 2.4GHz transmission for a 200' operating range
- base receiver includes a big and bright alarm clock, bright built in flasher, selectable loud audio sounds, and visual icons
- master package includes master receiver, wireless doorbell, and bed shaker
- additional accessories available for audio alarms, baby cries, motion detector, door chime or intercom, NOAA storm alert, or remote receiver to any Bluetooth audio device

257530 CA360 Master Unit	\$179.95
257531 CA-RX Remote Receiver	64.95
257532 CA-CX Smart Phone Transmitter	82.95
257533 CA-NOAA Weather Alert Transmitter	45.95

## HomeAware Alert System

- digital –RF technology offers safe and reliable operating range up to 1,000'
- base receiver includes a dual alarm clock with loud 110dB alarm, ultra bright strobe light, a 2" LED alert display, and Caller ID display for landline or videophone calls
- master package includes base receiver, doorbell transmitter, and bed shaker
- additional accessories include remote receivers and transmitters for smart phones, doorbell, baby cry, and smoke/CO sound signaler.

257547 Base Kit	\$174.95
257548 Remote Receiver	55.95
257551 Smart Phone Transmitter	64.95
257550 Smoke/CO signaler	58.95
257549 Baby Cry Sound Signaler	54.95
257552 Remote Phone Transmitter	61.95

## CentralAlert CA-380 Wearable Notification System

- designed for the deaf/blind, providing tactile notification from any of Serene's CentralAlert transmitters
- CA-PX wearable receiver features Braille buttons, strong vibrations, loud audio tones, and bright flashing lights
- complete package includes wearable receiver, strong bed shaker, doorbell signaler, and a ringer/flasher for a cell or home phone

731062 \$312.95

## Square Glow Home Alerting Kit

- alerting system uses different flashers and flashing patterns to alert a user to different activities in the home
- each square flasher offers 7 customizable colors, 52 ringtones and 4 sound levels up to 110dB, allowing user to create different patterns for different triggers
- Home kit includes 1 doorbell alert, 1 phone alert and 2 flashers
- Optional triggers/transmitters available for door or window sensors, indoor motion sensors, and outdoor motion sensors
- 600 foot range

731067 Home Kit	\$199.95
731068 Body Worn Vibrating Receiver	59.95

## Analog Alarm Clock with Wireless Bedshaker

The TCL-100 offers an attractive analog clock with a loud 90dB adjustable alarm, as well as wireless vibrating pad.

- easy to read illuminated clock face
- 5 different alarm patterns
- bright flashing LED light
- receive notification of incoming calls
- AC powered with battery backup

**812910 \$49.95**

## Bellman Flashing/Audible Alarm Clock

Modern-style alarm clock uses flashing lights and an audible alarm which grows louder and changes frequency as the alarm continues.

- choose from audible or flashing alarm
- clock face lights up when alarm sounds or snooze is pressed
- 4 minute snooze
- AC powered with battery back up
- optional bed shaker

**BEL110 Alarm Clock \$99.00**  
**BEL106 Bed Shaker 29.95**

## Sonic Alert Alarm Clock with Phone Ring Signaler and Bed Shaker

In addition to waking you with its alarm, bed shaker and flashing light, this clock will notify you of a ringing telephone.

- 1" green display
- loud alarm up to 113 dB with tone control
- hi/low dimmer switch
- AC powered with 9V battery (NI) backup

**835897 \$54.95**

## Sonic Boom™ Alarm Clock with Bed Shaker

Perfect for deaf, hard-of-hearing, or even deep sleepers with typical hearing.

- loud alarm up to 98 dB with tone control
- attach a bedside lamp as a visual alert
- AC powered with 9V battery (NI) backup
- works as a receiver with all Sonic Alert products

**835966 Clock with Bed Shaker \$84.95**  
**835964 Clock Only 68.95**

## Sonic Alert Clock with Bed Shaker

Choose to wake up with an audible alarm, or powerful vibration.

- loud alarm up to 113 dB with tone control
- 1.8" display
- dual-alarm function (alarm/vibrate together or alarm may be set for 2 separate times)
- AC powered with 9V battery (NI) backup
- measures 9" x 5"

**CL375 \$49.95**

CL375

## Clarity® Wake Assure Clock with Bed Shaker

Even the deepest sleeper will wake up with all the options offered in this clock: a loud alarm, a jack to connect a lamp for a visual alert and a strong bed shaker.

- loud alarm up to 85 dB with tone control
- 2" red display
- security timer feature causes a connected lamp to turn on and off as if you were home
- AC powered with 9V battery (NI) backup

**835912 \$74.95**

# CLOCKS & TIMERS

## TimeShaker Alarm Clocks

The TimeShaker alarm clocks are wonderful clocks for the hard of hearing or deep of sleeping, loaded with features to help wake you up.

- powerful wired bedshaker with 3 levels of vibration: normal, strong, and earthquake
- 120 dB adjustable "panic" alarm sound
- dual alarms for different users, with alarm combinations for sound, vibration, or both
- bright alert light also flashes with alarm
- easy to read 1.4" display
- 9 minute snooze

781059 \$39.95

## Big Mouth Audible Alarm Clock

This tiny clock has a very loud alarm with two volume settings up to 100 dB.

- .5" black LCD screen
- measures 3.5" x 2" x 2.5"
- 4 AA batteries (NI)

247534 \$19.95

## Tactile Talking Clock with Bedshaker

- clock face opens to reveal a tactile analog face
- time can also be spoken on demand
- includes a wired pillow shaker
- alarm combinations of vibration, audio, or both
- uses 2 AAA batteries (NI)

101150 \$54.95

## TimeShaker 6Q Clock and Bedshaker

Electric LED alarm clock with FM radio also includes a super strong wired bedshaker and a Qi induction wireless charging pad for any device enabled for Qi wireless charging.

- 1.2" LED clock display with 10 dimming levels
- dual alarms with snooze. Alarms can be set for bed shaker, radio, or buzzer
- stereo quality speakers with Bluetooth connectivity can play music from a paired phone or tablet
- FM radio with space for 20 preset stations, and an auto-off sleep timer with 10 to 90 minute sleep settings

781073 \$61.95

## AlarmDock Smartphone Dock with Bedshaker

- docking station pairs with a personal smartphone and uses a wireless bedshaker and 100dB alarm to wake a hard sleeper or hard of hearing
- uses a free iOS or Android app to manage alarms, timers, volume and tone control, flasher activation, and large clock read out
- wireless speaker can play music from the phone in clear, full sound

741026 Dock, Speaker, Bedshaker \$99.95  
741030 Wireless Speaker only 49.95

## Buzz/Vibrate/Beep Digital Timer by Polder®

- easy to use function keys with easy memory recall
- set timer to vibrate, beep or buzz
- 100 hour countdown with 30 second alarm
- overtime Feature; at reach of desired time, clock automatically begins count-up
- belt clip, stand and batteries (INC)

835926 \$14.95

## Travel Vibrating Clock

- 2 separate alarms can be set to buzz, vibrate or both
- can be preset for 2 different time zones
- rests under a pillow or stands using a fold out stand
- uses 2 AA batteries (NI)

741025 \$19.95

## Male Voice Talking Vibrating Travel Alarm Clock

- speaks, time, day, date, month, year
- includes countdown timer
- stand protects setting buttons when clock is packed for travel
- measures 3.5" x 2.5"

- supports multiple alarms
- instant alerts for phone calls, messages, and social media posts
- rechargeable battery lasts for ~14 days

741027

\$59.95

# AUDIO & CELL PHONE AMPLIFIERS

## NoiZfree Beetle Bluetooth Enabled Headsets for T-Coil and Audio Boot

The Beetle Bluetooth headsets allow a user with a T-Coil to wirelessly connect to their Bluetooth enabled phone or audio device and receive that sound output directly into their T-Coil. All also offer a built in FM radio. Model H-2 works with phones only and has a single T-Coil hook. H-2ST works with phone and audio devices and connects through a single T-Coil hook or a neck loop. H-3ST offers stereo sound for phone and audio with dual hooks and a neckloop. H2ST for direct input plugs directly into Audio Boot attachments.

HED053	H-2ST Phone & Music, with Single Hook and Neckloop	\$89.95
HED068	H-3ST Phone & Music Twin Headset and Neckloop	99.95
HED069	H-2ST Audio Boot Connectivity	99.95

## NoiZfree® Headsets – Solutions for Hearing Aids & Cochlear Implants

NoiZfree products have lightweight hooks that rest next to your hearing aid and transfer sound from your cellular and cordless phone or audio source using the telecoil. This provides you with increased sound clarity and speech comprehension. NoiZfree products provide you with solutions for one or both ears. If one of your ears has normal hearing, use the NoiZfree HR model, which incorporates a hook for your hearing instrument and a standard earbud for the other ear. Enjoy conversations with crisp sound and clarity on your cellular phone or plug it in any audio device such as MP3 players, stereo systems, or TVs. Use PC-Twin for your home, work or laptop computer.

### NoiZfree HR (Hook & Receiver)

HED032	2.5mm Cellular plus 3.5mm Audio Adaptor	\$39.95
--------	---	---------

### NoiZfree One (Single Ear)

HED030	3.5mm Audio Plug	34.95
--------	------------------	-------

## Blue Freedom Bluetooth Audio Amplifiers for BTE's

The Blue Freedom audio amplifiers send sound directly from an audio device to a behind-the-ear (BTE) hearing aid. The small, thumb-sized Freedom pairs to a Bluetooth device, clips onto a shirt or coat lapel, and then directly plugs into a BTE. Sound from the audio device then goes directly into the hearing aid, delivering the clearest sound from your audio device. Adjustable volume.

- SED106 works with any Bluetooth audio device or mobile phone and features buttons on the device for controlling music and phone calls. Plugs for dual BTE's.
- SED108 works only with Bluetooth telephones

SED106	\$74.95
SED108	59.95

## Geemarc Neckloops

Geemarc's neckloops allow a person with a T-Coil to connect their T-Coil to their audio device – such as a cell phone, cordless phone or MP3 player – and to then receive up to 30dB of amplified sound into their T-Coil.

- adjustable volume control
- use 2 AAA batteries (included)
- SA212 i-loop is for audio players such as MP3's and iPods
- SA214 t-loop is for cordless or cell phones. Includes a microphone

SA212 i-loop	\$39.95
SA214 t-loop	44.95

## Spokeman Voice Amplifier

Useful for individuals with Parkinson's, ALS, MS, vocal nodules, etc. to be heard in small group settings.

- 5 watts RMS power
- black case can be carried over the shoulder or fastened to a belt
- 6 rechargeable AAA NiMH batteries and charger (INC)
- 3.5mm jack amplifies CD players/small radios
- microphones sold separately

608100 \$240.00

## MICROPHONES

MIC102	Headset Microphone	\$84.95
MIC104	Pencil Microphone	84.95
MIC106	Collar Microphone	84.95
384362	3-Way Headset Microphone	97.95

## Sound Oasis® SP-151 Sleep Therapy Pillow/ Tinnitus Sound Machine

- two ultra-thin speakers
- allows users to enjoy their favorite music or sounds in optimal relaxation and comfort with two high fidelity, ultra-thin stereo speakers positioned deep within the pillow
- in-line volume control
- 1/8" (3.5 mm) plug fits most electronic devices
- removable speakers so pillow can be washed by hand or machine
- hypoallergenic polyester fiberfill
- dimensions: 7"h x 20"w x 26"l; weight: 1 lb.

CAB105 \$54.95

## Naphon A-580U Mini Voice Amplifier

Offers consistent performance due to an integrated sound box within the amplifier mechanism. Excellent frequency response and audio effects help to project your voice. Headset microphone (INC).

- 6 watts maximum output power
- 3 NiMH rechargeable batteries (INC)
- charge time: 6-8 hours; continuous usage time of 4-6 hours with full charge

617748 \$69.95

## ChatterVox® Voice Amplifier

- lightweight portable amplifier is worn as a "fanny pack"
- 5 watts RMS power output for presentations up to 50 people
- increases outgoing sound up to 15 dB
- includes charger, carrying pouch and rechargeable NiMH batteries
- choice of headset, collar or pencil microphone (INC)

CV0X \$254.95

## Bellman Neckloop

Designed to be used with hearing aids equipped with a Telecoil. Works with any sound source that features a 3.5 mm headphones output, including a mobile phone, MP3 player, tablet, or personal amplifier, delivering amplified sound from those devices to the T-coil. The neck loop is very comfortable and can be worn under your shirt. Neck strap is 27" long; connecting cable is 35". 1 ounce in weight.

SED117 \$39.95

## Bellman Stethoclips

The Bellman stethoclips are designed especially for hard of hearing people and are capable of producing a sound level in mono of up to 140dB. With a 3.5mm 90 degree plug, the headphones work well with high end digital speech amplifiers and listening systems. The stethoclips are lightweight, comfortable to wear and very easy to put on and take off.

# SCREEN MAGNIFICATION & SCREEN READER SOFTWARE

## iZoom Magnifier/Reader

iZoom software enlarges images on your computer screen up to 36X.

You can also change screen and contrast colors, increase mouse size, realign web pages, and hear entire documents, emails and web pages spoken aloud. Magnification features include font smoothing, locator enhancements, 8 different zooming modes, and floating windows to "lock" a portion of the screen. Speech features include mouse echo, typing echo, narration, and speech controls. Speech can be in any of 17 languages, including Spanish. IZoom is available in either a single install CD version, or a non-installing USB version which you can plug into any computer and use on the spot.

885250	CD version	\$299.00
885300	USB version	399.00

## Reticare Blue Blocker Screen Protection

Newer digital devices such as tablets, laptops, and smart phones emit 5 times more high energy light than previous devices. High exposure to this light increases eye strain and could increase risk factors for the retina, including macular degeneration. It also can disrupt sleep patterns. Reticare screen covers help block this harmful blue light and reduce eye strain.

## iLuv AudClick2 Portable Speaker with Alexa Access

Pair your own smartphone or tablet to this portable speaker and access Amazon's Alexa Voice Control to stream music or access the internet with your voice. To ask Alexa a question or request music, click the top ring of the AudClick2 portable speaker. Control any Alexa compatible smart home devices in your home, including smart bulbs, smart TV's and smart thermostats. Additionally, answer cell phone calls just by clicking on the speaker and then using the built in microphone to have a hands free conversation. Requirements: Bluetooth enabled smartphone or tablet, wifi, and Alexa account through Amazon.

221116 \$39.95

## TV and Audio Listener

TL200 TV Listener pairs wirelessly with either your television or mobile phone to amplify TV shows, phone calls and music. This allows the user to amplify the television volume, while others in the room listen at their preferred level. Can also pair with a smartphone to receive and amplify cell phone calls as well as music played from the phone. 30' headset range.

781061 \$99.95

## Aftershokz Headphones

Bone conduction bluetooth headphones use military technology to deliver stereophonic sound through the cheekbone, leaving the ears themselves uncovered and able to process other surrounding sounds.

- lightweight; sweat and water resistant
- on/off, volume control, and play/pause/advance
- built-in microphone for mobile phone use

221114 \$119.95

## Open Ear Headphones

- bluetooth, bone conduction headphones rest in front of your ears, not in them
- ears remain open to hear other ambient sounds
- multifunction button controls volume, pause/play, call answer/end, and access to Siri

221111 \$49.95

# READERS & SCANNERS

## OrCam Read Smart

OrCam Read is a revolutionary handheld scanner and reader that instantly reads aloud text from any printed surface or digital screen. Point and click the marker-sized device and capture either full pages of text or targeted text sections. OrCam Read can even capture street and building signs in the distance.

- two reading modes – full page scanning mode and laser pointer mode for selected sections
- all operation is processed offline, without requiring internet connectivity
- reading navigation tools to pause and resume reading, and to jump forward or backwards by sentence
- Smart Reading feature uses voice commands to find specific information in a document
- Bluetooth connectivity to speakers or headphones
- can read and speak in English, Spanish, or French
- measures 4.8" x 1" x 0.5"; 1.5 ounces

601139 \$1,990.00

## Patriot Voice Plus Scanner and Reader

- standalone, portable scanner and reader
- can scan and read aloud nearly any printed document including mail, newspapers, TV Guides or magazines
- simple, big buttons for easy identification and navigation
- manage settings such as language and voice choice, reading speed, and volume
- comes loaded with Amazon Alexa voice response system; when connected to wi-fi ask Alexa any question, and hear the response spoken back
- operates on AC or rechargeable battery
- 5 pounds

601140 \$2,195.00

## Mercury 12" Windows Magnifier with OCR

- 12" Windows based tablet is extensively enhanced with digital magnification and Text-To-Speech, to create spoken documents from printed documents
- 5 megapixel camera can magnify or scan a full page in one pass
- pause, zoom, and resume the OCR reading from any location on the tablet, which follows the audio output
- scanned OCR images can be saved as TXT files directly on the tablet
- magnification mode uses pinch technology to zoom in and out; 3 finger tap to change colors
- includes full version of Windows 10, wireless keyboard and mouse; supports all Windows programs
- optional distance camera available for classroom and lecture viewing

251089 \$2,995.00

## Patriot 10" Magnifier with OCR

- 10" magnifier built on an Android platform
- magnification adjusts using 2 finger pinch to zoom in and zoom out; color select choices with 3 finger tap
- can scan a full page document and read it back using OCR technology
- choice of different languages and 10 different voices
- 8 megapixel camera; built in reading stand

885308 \$2,695.00

### Shipping & Processing

Shipments into NEW YORK, add 8.75% Sales Tax.  
Shipments into WISCONSIN, add 5.5% Sales Tax.  
Include tax on shipping and processing.

TOTAL PAYMENT (Enclose Check or Money Order)

[illegible]

# HOW TO ORDER

Orders from individual customers must be prepaid, either by check, money order, MasterCard, VISA, American Express or Discover. Make checks payable to "Independent Living Aids".

## ORDER CONFIRMATION

If you supply your e-mail address, a confirmation of your order and a tracking number will be e-mailed to you.

## SHIPPING INFORMATION

Standard shipments are sent by UPS or USPS within the Continental USA. Shipments to Alaska and Hawaii will incur additional charges. Third day, second day or overnight delivery is available at an extra charge, depending on the weight of the shipment. Please call for pricing for Canadian and all international orders.

**Extra shipping charges may apply to some items, and this is indicated near the purchase price. Please add this amount to the "Extra Shipping" charges shown at the bottom of the order form.**

## RETURNS

If any product does not satisfy your needs, **it may be returned within 30 days.** Special orders are not returnable. Before returning any item, call 1.800.537.2118 to obtain a Return Merchandise Authorization (RMA). Refunds and credits are issued for the value of the merchandise, but not for the shipping and processing fee. To be acceptable for return, items must be in resellable condition and in their original manufacturer's boxes with all instructions and warranties. **THE MANUFACTURER'S BOX MUST NOT HAVE STICKERS, STAMPS OR WRITING ON IT, OR A RESTOCKING AND REBOXING FEE WILL BE ASSESSED.**

**When a restocking fee is indicated next to an item, it will be deducted from the refund.** Because of health department regulations, we cannot accept returns of items that have been used on or in the body, such as thermometers, ear/eye care products, bath/toilet products, earbuds, etc. Opened computer software is also not returnable. Kitchen products may not be used in any way if they are returned.

## DAMAGED MERCHANDISE

If an order arrives damaged, ILA must be notified within 24 hours. The product and all packaging material must be retained until the matter is resolved with the shipping carrier.

## PRODUCT WARRANTIES

After ILA's 30 day return policy, products are subject to the original manufacturers warranty. Customers need to contact the manufacturer directly for repair or replacement of the item. Whenever possible, ILA will assist the customer with contacting the manufacturer. Please note that warranties cover defects in workmanship and material. They do not cover breakage or damage to the product resulting from customer abuse.

**SALES TAXES:** Shipments into the states of Wisconsin or New York are subject to sales tax, including tax on the shipping and processing fee. If you are an organization claiming tax exemption, provide a copy of your exempt organization certification, or resale certificate.

## PLEASE NOTE

Independent Living Aids is not responsible for typographical errors. Prices listed in this catalog supersede all previous catalogs. After our catalogs have been printed, manufacturers sometimes change specifications or prices of products or discontinue them completely. We therefore reserve the right to change prices or substitute items of equal or higher value. These items are fully returnable if they do not meet with your satisfaction.
