Extra Wide Talking Scale
Instructions

**IMPORTANT: PLEASE READ ALL THE INSTRUCTIONS CARE-
FULLY BEFORE USING THIS PRODUCT.**

Battery Precautions:

• If battery contents are leaking, discontinue use and discard.

• Remove dead batteries or if not in use.

• Make sure to properly dispose dead batteries in accordance
with state and local laws.

Battery Installation:

• Slide battery cover (H) to open and insert a 9V battery (not
included). Replace battery cover (H). Note: battery compartment
is design to fix battery snug.

Scale Functions:

Note: for accurate weight reading do not place scale on top of
carpet floors. Make sure to place scale on flat surface only.

1. Step on scale platform or press MODE button (E) to turn ON.

2. Press ▼/U button (G) to select weight in lbs or kg. Then stand
on scale steadily. Your weight will display and then read out
loud twice.

Weight Specification:

• Max weight: 550 lbs (250 kg).
